Just as much care, in fact a little  
more, should be exercised in buying  
electric sad irons, as in buying any  
thing else. Some are using more elec-  
tricity than others in doing the same  
work. Get your electric irons of  
MOHART BROS., they carry the autho-  
rized iron. Be careful of "just as  
good" electric irons.  
The 1910 State Fair, Sept. 5 to 9, offers  
an excellent line of attractions. Among  
them are 4 flights each day by  
Wright's Aeroplane, concerts by Sig-  
nor Lombard's band of 44 instruments  
and Grand Opera Company of 24 sing-  
ers, 15 harness speed contests and a  
number of running races, the derby, a  
10 mile relay race—2 miles each day;  
the Great Patterson Shows, Night  
Speed Contests, Stupendous Fireworks  
and Vaudeville attractions. Taken  
with the great exhibits in every de-  
partment, this indeed will make a  
great show.  
Visitors at the State Fair this year  
will have an opportunity to see the  
Wright brothers in several flights in  
their aeroplane, as the fair manage-  
ment have contracted with those  
gentlemen who have made the old  
world sit up and take notice, for sev-  
eral flights each day of the fair, Sept. 5  
to 9. They will bring with them three  
of their full sized aeroplanes which  
will be used in making their flights  
each day. When not in use they will  
be on exhibition and their working  
fully explained to those interested in  
air navigation. This will be oppor-  
tunity for the people of Nebraska to  
see the old wonders of the 20th century.  
The oat crop of this county is surely  
a bumper. Never before in the history  
of Webster county has the yield  
been so great. We are indebted to  
Chas. Brubaker for the information  
that Chas. Norris thrashed out 945  
bushels of oats last Friday for E. Ash-  
by from 10 acres of ground, 94½  
bushels to the acre. We challenge  
any county in the state to beat that  
record. While we are at it let's in-  
clude Indiana. Also the next day 735  
bushels of oats were thrashed out for  
Will Norris which was raised from 9  
acres. These figures are correct as  
Chas. Brubaker is absolutely honest  
and reliable and has our warm person-  
al thanks for this information. Hur-  
rah for the 1910 crop of oats.

Traveling men that come to our  
town remark that we have a pretty  
pretty town. Yes; we have a pretty  
town, and by the number of traveling  
men that come here regularly we  
know that we must have a business  
town. But this is not the only indica-  
tion. Everything is on the move and  
the boom. New enterprises are start-  
ing among us and new life is quick-  
ening in the old industries. Many  
things attest the prosperity of our  
town. With her trade, her churches,  
her schools and her cultured popula-  
tion we have a first-class town in  
which we live.

**Base Ball Riot at Shelton.**  
SHELTON, NEB., July 21.—The  
Grand Island and Kearney ball teams  
played a hard game here this after-  
noon. The Kearney team came off  
victorious, but had to play perfect  
ball.  
A riot was started in the second in-  
ning when Umpire Boswell displeased  
Kearney with a decision at the home  
plate. The runner for Grand Island  
was tagged by Townsend and Boswell  
with his back turned watching another  
play called him safe. Almost in-  
stantly the diamond was full of Kear-  
ney fans and before help could come  
someone had given the umpire an up-  
percut that tore his ear badly. Three  
policemen rescued him from the mob  
which raged on the diamond for  
twenty minutes. President Stevens  
tried to escape from the crowd to  
avoid rendering a decision. After  
publicly declaring all bets off the  
game started anew.  
Boswell finished the game by cling-  
ing close to fair decisions. Last night  
Umpire Nelson, who was criticised in  
yesterday's game at Kearney, was  
ushered to the train by two police-  
men, it being feared someone would  
take their revenge. Kearney won the  
game by a score of 3 to 1.  
Saturday afternoon before a large  
crowd the Red Cloud Indians were de-  
feated by Fremont by a score of 6 to 3.  
Both teams went to Fremont Sunday  
and Fremont won the game by a score  
of 12 to 5. Red Cloud used its entire  
pitching staff but the Fremont team  
played the hit and run game.  
Monday Red Cloud played at Colum-  
bus and were defeated by a score of  
4 to 3. Tuesday Red Cloud won from  
Columbus by a score of 10 to 6.  
Wednesday Red Cloud played at  
Grand Island and were defeated by a  
score of 6 to 0. They play there today  
and then come home Friday where  
they will play with Hastings and  
Kearney.
