Here's a low-price picnic going on; you're invited **YOU'RE** probably not very different from the rest of us when it comes to getting some unusual value for your money; it's human nature, and everybody's got some of that in them.

We've made up our minds to clean up this stock of good things to wear; to clear out all fall and winter goods and start the spring season with an entirely new lot of stuff.

In order to do it we're quoting prices on these things that are good enough reason for any man who likes to get good things for less than they're really worth to come here on the run.

Hart Schaffner & Marx

clothes are among these goods; and when any man can get Hart Schaffner & Marx clothes at less than the usual prices he's certainly not very wise if he doesn't do it.

There are a lot of other good things, too; we'll give you an idea of what to expect here:

20 per cent Discount Continues This Week.

Just as much care, in fact a little more, should be exercised in buying electric sad irons, as in buying any thing else. Some irons use more electricity than others in doing the same work. Get your electric irons of MORHAUT BROS., they carry the authorized iron. Be careful of "just as good" electric irons.

The Webster County Sunday School association will meet in Blue Hill, Neb., March 6 and 7, 1911, at the Christian church. A splendid program is being arranged for the occasion. There will be speakers from all parts of the county. Problems of every kind will be discussed, so that all who attend will go away better equipped for work. Miss Margaret Brown, superintendent of the elementary department, will be in this convention. Those who have heard her know that this will be too good to miss. It is hoped that every Sunday school in the county will have a large delegation—one delegate for every twenty or fractional number and as many others as can attend. All will be taken care of. It is also hoped that all schools will have sent in their reports and appointments so that all will be recorded when the convention meets. We trust that this convention will be the best convention ever held in Webster county.

Remember, we are basing our statements upon what has already been accomplished by the use of Rexall "33" Hair Tonic, and we have the right to assume that what it has done for thousands of others it will do for you. In any event you cannot lose anything by giving it a trial on our liberal guarantee. Two sizes, 50c and \$1.
