

# APPENDICITIS

Cured Without Operation.

Here is Sworn Proof:

STATE OF MINNESOTA,  
COUNTY OF STEELE.

I, Richard Jahreiss, of Owatonna, Minn., being first duly sworn, do say that I am the person named in and who subscribed the following statement and the same is true of my own knowledge, in every particular: "I had severe pains in my right side, just above the Appendix. I went to the doctor and he pronounced my case Appendicitis and advised an operation. Instead I went to Zamboni Bros. Drug Store and bought a bottle of (Adler-i-ka) Treatment. After taking it the result was indeed wonderful. The pains stopped and I felt like a new man. I heartily recommend (Adler-i-ka) Treatment to anyone troubled with Appendicitis, as I know it has cured me."

(Signed) RICHARD H. JAHREISS,  
Subscribed and sworn to before me June 29, 1905.  
J. NEWSALT, Notary Public, Steele County.

Appendicitis is becoming worse and worse, and everyone should know of this wonderfully successful treatment. A valuable book, showing many pictures of that curious and little known organ, the human Appendix, and telling how it can be treated without operation, and how you can easily guard yourself against it, will be given FREE by mail, calling at our store.

MANLEY BROS.

Here's a low-price picnic going on; you're invited

YOU'RE probably not very different from the rest of us when it comes to getting some unusual value for your money; it's human nature, and everybody's got some of that in them.

We've made up our minds to clean up this stock of good things to wear; to clear out all fall and winter goods and start the spring season with an entirely new lot of stuff.

In order to do it we're quoting prices on these things that are good enough reason for any man who likes to get good things for less than they're really worth to come here on the run.

## Hart Schaffner & Marx

clothes are among these goods; and when any man can get Hart Schaffner & Marx clothes at less than the usual prices he's certainly not very wise if he doesn't do it.

There are a lot of other good things, too; we'll give you an idea of what to expect here:

20 per cent Discount Continues This Week.

Grand Master Paul Storey instituted a new Odd Fellows lodge in Berwyn, Custer county, last Tuesday night. The new lodge starts out with thirty-one members and the prospects are good for many more. Just as much care, in fact a little more, should be exercised in buying electric sad irons, as in buying any thing else. Some irons use more electricity than others in doing the same work. Get your electric irons of MORRIART BROS., they carry the authorized iron. Be careful of "just as good" electric irons.

The Ladies' Club presents Shakespeare's "Taming of the Shrew" in pantomime, Saturday night, at the spacious home of Mr. and Mrs. E. U. Overman. The last speaker of the lecture course Monday night failed to impress the audience with anything like general favor. The gentleman was not an adept either in delivery, enunciation or truthfulness. Perhaps his traveling one million five hundred thousand miles has incapacitated him from seeing anything in its right relations. Mr. Beauchamp was a disappointment.

The work of repairing the Peterson building, which was recently damaged by fire, was begun Monday morning, although the building had been condemned by the city council. Last evening an injunction was served upon Mr. Peterson restraining him from proceeding with the work, and the matter will have to go through the courts. Mr. Peterson contends that he was merely putting the building in shape to move it from the lot, in order to make room for a substantial brick building.
