"DONT'S"

Don't carry large sums of money around with you. Hold ups are not unheard of.
 Don't hide money around the house. There are a few burglars left.
 Don't be extravagant, put your money in this bank and add all you can spare to it.
 Don't fail to take this advice and you will have an easy and happy old age.

 Mrs. Jos. Hewitt spent a few days visiting at Bloomington last week.
 Fred Emick has moved onto the place his brother Oscar owned near Cowles, now owned by Paul Storey.
 One of those old fashioned dinner parties was given by Mr. and Mrs. Wm. Engels last Friday. It was a dusty (blew) day, but forty of the neighbors were there and enjoyed the good things of which Nebraska can boast and its fair women can manufacture into eatables of which a chronic dyspeptic could not refrain from and would please the most dainty epicure. Our host and hostess made all to feel at home. Many joys to them till we meet again.

 One of those pleasant affairs for which the Degree of Honor of Guide Rock is noted was held last Tuesday evening. It is fourteen years since the organization of Guide Rock lodge No. 158. The installation drill was put on and 250 people were in attendance. Sandwiches, pickles, cake and coffee were served. Games were also a part of the program. The drill team did most excellent work and was heartily praised. They presented a very pleasing sight in their white suits and pink sashes.
 Right on the heels of this veto, which the House sustained, came the Ollis bill, S. F. 115, as a natural sequence, and the House passed it with a whoop. Of course this means the Ollis bill will be written in the statutes and it will be the first regulatory measure passed by the state with regard to the stockyards, notwithstanding the attempts to do so for the last sixteen years. Incidentally it means that the stock yards will be out of politics, in all probability, at future sessions for some time to come.
