Died.

At her home adjoining this city, Ann Scott, April 15th, 1911, at the age of 70 years, 1 month and 1 day. Mrs. Scott was the wife of Henry C. Scott, county assessor, and the two came to Nebraska in the year 1870. They were married in August, 1862, and to this union were born nine children. Five of the children survive their mother and four passed on to the great beyond before her. It will thus be seen that the deceased was married during a time of great national trouble and that she came to Nebraska and endured all the trials and privations of pioneer life. All these troubles were met without a murmur and she lived to see them vanish away. Rev. G. W. Hummel conducted the services at the home and interment was made in the Red Cloud cemetery.

Spanish War Soldiers Reunion

The Spanish war soldiers of Lincoln and Lancaster county are making big preparations to entertain their comrades on April 26-27, 1911, at the fourth annual reunion to be held in Lincoln.

The reunion is for all Nebraska soldiers everywhere and all Spanish war soldiers in Nebraska, no matter from what state or whether a member of any organization.

Headquarters will be at the Lindell hotel, where all soldiers should report for registration immediately upon arrival.

The committee is already assured of the biggest attendance yet, and have added the feature of getting a news letter from each comrade unable to come, which will be on file at headquarters for perusal by his comrades. A large number of these letters have already come, some from foreign shores, and the boys at headquarters say they are mighty interesting reading.

Many inquiries as to where this or that comrade is have reached headquarters. Some could not be located, but the secretary has written between 150 and 200 personal letters arranging for comrades to meet at this reunion.

Every company, troop and band will have its reunion and there will be a big camp fire where all will attend.

Theatre tickets for one evening will be furnished all comrades from outside of Lancaster county and the other evening will be devoted to a banquet to which all are invited.

The committee is unable to get the address of many Nebraska soldiers and so have been unable to send them notice. It is hoped that every soldier who reads this article and who has not received a letter from the committee will at once write Frank I. Ringer, Lincoln, Nebr., secretary of the general committee, giving his company, regiment and present address.

The Birthday Gift

The practise of gift-giving at Christmas time is a modern fashion a habit. There is nothing in the original significance of Christmas to even remotely suggest a gift. It is nevertheless a beautiful idea.

A much more expressive and consistent gift is a Birthday or the anniversary gift. The anniversary is hers, or his very own--Christmas is everybody's. There is a distinction in the anniversary gift--a compliment that the Christmas gift lacks.

Give her, or him, or them, mother, sister, wife, father, brother, husband or friend--a gift on an anniversary and it means something. Make that day the happiest of the year.

Our stock offers articles of use and beauty suitable for all gift occasions, qualities unsurpassed and something at a price you can afford.
