

## Proven Material For Home Building

is the only kind the conservative man or woman can afford to consider who is making an investment of a lifetime. Fads come and go as they are proved defective or inadequate to our requirements, but a good home built of carefully milled lumber is mighty hard to improve upon. A frame house constructed with ordinary care and of good material will outlast several generations. Proof of this is in evidence right here at home. Here are homes that have outlived whole families and the lumber in them would not compare with the superior millwork on the lumber we handle today. The manufacturing of lumber has been reduced to a science and the stock we handle represents the best on the market. Come in and look at it.

### New Goods Sale at Turnure Brothers

Our store was so crowded with new fall goods that it was necessary that we sacrifice our profit for a week or two. We have put a price on the goods that would move a portion of them quick.

A few goods we are selling at less than the cost of production, a few at actual cost, a larger percentage at a small profit, and some at a fair profit.

All goods advertised are here for you. We must have the room.

If your money is troubling you, bring it to us. You will be agreeably surprised how much you get for just a little of it.

The advertisements in a newspaper, if the merchant means what he says, are a very valuable part of the paper to its readers. Through them the people learn where they can secure bargains and thus save themselves money. For this reason the merchant who has bargains to offer and who always does by his customers just as he advertises that he will do, is the man whose ads are read with interest, and who is sought when the readers wish to buy. The prosperous merchant, when he has bargains to offer, advertises the fact to the people because he wishes them to come and see him; and then he does just as he advertised to do. People are always looking for bargains.

Before you reach the Limit  
Of physical endurance and while your condition is still curable, take Foley Kidney Pills. Their quick action and positive results will delight you. For backache, nervousness, rheumatism, and all kidney, bladder and urinary troubles. Sold at Dr. Cook's drug store.
