Edith L. McKeighan, candidate for Clerk of the District Court, was born in Illinois, and came to Webster County with her parents when a child. The qualifications which fit her for the office which she seeks are as follows: she is a graduate of the Queen City business college, was her father's Secretary during his last term in congress, has held the position of stenographer in the office of the Commissioner of Public Lands and Buildings, of the State of Nebraska, four years experience as book-keeper and stenographer in the State Hospital at Hastings, Nebraska. Two years experience as stenographer in different law offices and for the past five years, has been employed as Deputy Clerk of the District Court.

To any person entertaining the idea that a man is better fitted to perform the duties of a public office than a woman, I desire to say that there is no citizen of Webster County better qualified to discharge every duty pertaining to the office of Clerk of the District Court than Miss Edith L. McKeighan.

I am in a position to know, as she has been my Deputy for the past five years, and it is a pleasure to me to testify to her ability and worth.

If elected, I am positive Miss McKeighan will discharge the duties of the office to the entire satisfaction of the public.

GEO. W. HUTCHISON,  
Clerk of the District Court.

FOR CLERK OF THE DISTRICT COURT

EDITH L. McKEIGHAN.....

**UNITED STATES CIRCUIT COURT,**

WESTERN DIVISION WESTERN DISTRICT OF MISSOURI.

ADELAIDE UTTER, CLERK.

KANSAS CITY, MO., Sept. 21, 1911.

Miss EDITH L. McKEIGHAN,

Dear Madam:—I am in receipt of your letter of the 19th. As you are entirely familiar with the duties of the office of District Clerk, I see no reason why you should not be clerk, simply because you are a woman. I have been United States Circuit Clerk for a long time, to the apparent satisfaction of both Bench and Bar.

The United States District Clerk here for a number of years was a woman, she having resigned last July, and there is also a woman deputy in charge of the United States Circuit and District Clerk's office at Joplin.

With best wishes for your success,

Yours truly,  
ADELAIDE UTTER.

**To the Voters of Webster County.**

A few reasons why you should vote for Oscar A. Arnold for County Treasurer.

He is in every way qualified to perform the duties of the office.

His honesty is unquestioned.

He is exceptionally well thought of in his home community.

He is willing to lay down his present occupation (that of farming) and take personal charge of the office he aspires to.

He will give to the office the same careful attention that he has given to his private business.

His habits are strictly temperance.

He has been a life long resident of Webster County. From 1892 to 1901 he taught school in Webster county.

You will make no mistake by casting your vote for OSCAR A. ARNOLD.

**Dungan's Record**

The county standpat republican machine comprised of two dignified gentlemen of our acquaintance is making some sort of effort to promote the campaign of Mr. Overman, their candidate for the district judgeship. No doubt Mr. Overman would make a very satisfactory judge if elected but

there is no reason for desiring his election over Judge Dungan except a political reason and we have faith enough in the voters of this county to believe that this consideration will have very little weight.

Harry S. Dungan, who is just completing his first term, has made a most commendable record and has convinced the people of this judicial district that he has all the qualities of the good judge. It is universally conceded by attorneys of all political faiths as well as by the great majority of persons who have observed the record of this first term that the judge is entitled to the usual courtesy of another election.

Of the twenty-eight district judges in the state Judge Dungan stands sixth in the percentage of decisions affirmed by the supreme court. The five judges whose records are better than his are all serving second, third or fourth terms. Judge Dungan's knowledge of the law is above par and the most able men in the profession over the state predict continued success for him on the bench.

The office to which he has been elected and to which he again aspires is an important one and should be filled by a man of strong and sturdy character. Judge Dungan has qualified in the past four years, he has made good, and we are in favor of showing our appreciation.—Holdrege Progress.
