lie worship we know at least one reason frequently given by men. Often men say that they would enjoy a good sermon if they could only see the preacher but there was so many obstructions that it is impossible to even catch a fleeting gimpse of the front almost universally. If the ladies persist in wearing these monstrously large

Big Ben has something to say to people who like to get up promptly in the morning.

He guarantees to call them on the dot just when they want and either way they want, with one prolonged, steady call or with successive gentle rings.

And he guarantees to do it day after day and year after year, if you only have him oiled every year or so.

I've known him ever since he was "that high" and I'll youch for everything he says.

The Jeweler.

Edward F. Highland Died in Denver Friday Morning.

Edward F. Highland, formerly roadmaster and assistant superintendent end of the building. Tais is a serious of the Burlington in Nebraska, died condition and yet one which prevails Friday morning in Denver of locomotor ataxia after an illness lasting over a veur.

Mr. Highland was one of the most prominent Masons in Colorado and held a number of important offices in that society In addition to his activities in the Masons and Shriners he was a member of the Royal Arcanum and Woodmen of the World

He was born in Sheffield, England, in 1856 and came to America when he was seven years old. His parents lived in Wisconsin after coming to this country In 1880 he decided to come west and upon arriving in Ne. draught? braska he was given employment in the engineering corps engaged in the construction of the Burlington road. He was soon promoted to the position of roadmaster with headquarters at Red Cloud. In 1891 he was made assistant superintendent of the Deuver division of the Burlington.

Eleven years ago he left the service of the road to accept a government position in the customs department. Later he was made deputy United States marshal and held the place until forced to resign because of ill health.

Mr. Highland married Charlotte Mosher at Red Cloud in 1882. Besides the widow he leaves two sons, Robert and Forrest.-Lincoln, Journal.

Mr. Highland was a charter member of the Red Cloud order of the A. O. U. W, and he was the first master workman at this place.
