

# WHY NOT TRY THE NEW STORE?

**W**E HAVE JUST PURCHASED the W. A. Smith stock of Groceries and have already added a great many new goods to same, making it one of the best and most complete stocks of desirable groceries in Red Cloud. In addition to above we have just finished opening up our new stock of Dry Goods and Ladies' Ready-to-Wear Goods. Every dollar's worth of our goods are new and are right both in style and price. We have a beautiful line of Ladies' Dress Skirts, also ready made dresses in serges and other wool goods. A little later we will add a full line of Suits and Coats for fall. While in the market buying our opening stock we picked up about ten dozen Ladies' Shirt Waists which the manufacturer was anxious to clean up. We bought them at one-half price and will give our customers the advantage of it. Chautauqua will soon be here and you may need an extra waist or two. Come in and see

them. We also carry the McCall Patterns, R. & G. Corsets, Corticelli Silks, Ribbons, and Spool Silks. Splendid new stock of the very latest novelties in Ladies' Fancy Neckwear, Hair Goods, Combs, Belts, Irish Croquet Hand Bags, etc.

We solicit a share of your patronage and we hope to merit a continuance of same by the following system:

- 1st. A Square Deal with Everybody.
- 2nd. One Price to One and All.
- 3rd. Satisfaction or Your Money Back.

Make this store your headquarters during chautauqua. We have plenty of room and easy chairs, and any little favors we can do for your pleasure we will be glad to do.

Yours truly,

#### An Opportunity for the Best and Largest Band in the State of Nebraska

The first week in October I want to place in the band room here, a young band of 45 pieces. All I ask is for each individual to furnish their own instruments. I will teach this band in connection with the old band, as I did last year.

Instrumentation—6 cornets, 10 clarinets, 2 oboes, 2 bassoons, 2 flutes, 4 saxophones, 6 altos, 6 trombones, 2 basses, 2 baritones, 3 drummers.

This will give Red Cloud a concert band of 60 pieces next year. What speaks better for a town than an organization of this kind. The youngest member to be not less than fourteen years of age. Now to get this organization ready by Oct 1st, we must begin in about 30 days. Think it over.

#### Preparations for Shocks.

For most of the wrenches and jolts of life there are, happily, conditions which alleviate what would otherwise seem unbearable, conditions which soften and break the most cruel shocks. Death, for instance, the greatest shock of all, unless it is very sudden, seldom comes as an unbearable wrench, because weakness or suffering has prepared us for it.

#### Detecting the Chinese.

Two men have just been convicted of smuggling Chinamen into the country. The detectives adopted a plan marvelous in its simplicity and effectiveness. They wanted to be sure whether the four Celestials in question had ever been in the country before. They were dressed in American fashion and the detectives took the coats off the men and required them to put them on again. They put them on backward.

#### Oilcloth Wrinkle.

Very little water should be used in washing oilcloth, as some of it will soak through the cloth beneath and rot it. Use a flannel cloth well wrung out and wipe the floor until clean. Sal soda will aid greatly. Wipe the white spots caused by spilling any hot liquid on the oilcloth with a few drops of ammonia.

#### Little Things of Life.

"Life is made up of little things. It is but once in an age that occasion is offered for doing a great deed. True greatness consists in being great in little things."—George MacDonald.

#### Sentimental Woman.

Woman often dies for love, as spotless maidens have died to live forever in the Pantheon of sentiment.—Julius Henri Browne.
