

WHY NOT TRY THE NEW STORE?

WE HAVE JUST PURCHASED the W. A. Smith stock of Groceries and have already added a great many new goods to same, making it one of the best and most complete stocks of desirable groceries in Red Cloud. In addition to above we have just finished opening up our new stock of Dry Goods and Ladies' Ready-to-Wear Goods. Every dollar's worth of our goods are new and are right both in style and price. We have a beautiful line of Ladies' Dress Skirts, also ready made dresses in serges and other wool goods. A little later we will add a full line of Suits and Coats for fall. While in the market buying our opening stock we picked up about ten dozen Ladies' Shirt Waists which the manufacturer was anxious to clean up. We bought them at one-half price and will give our customers the advantage of it. Chautauqua will soon be here and you may need an extra waist or two. Come in and see

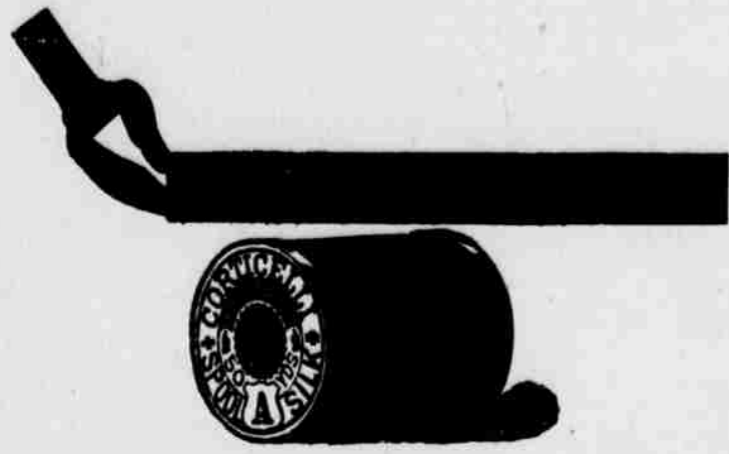

them. We also carry the McCall Patterns, R. & G. Corsets, Corticelli Silks, Ribbons, and Spool Silks. Splendid new stock of the very latest novelties in Ladies' Fancy Neckwear, Hair Goods, Combs, Belts, Irish Croquet Hand Bags, etc.

We solicit a share of your patronage and we hope to merit a continuance of same by the following system:

- 1st. A Square Deal with Everybody.
- 2nd. One Price to One and All.
- 3rd. Satisfaction or Your Money Back.

Make this store your headquarters during chautauqua. We have plenty of room and easy chairs, and any little favors we can do for your pleasure we will be glad to do.

Yours truly,

WEESNER, PERRY & COMPANY

Commissioners Proceedings.

Board of County Commissioners met pursuant to adjournment. Members present, Paul Storey, T. J. Chaplin, G. W. Hummel, L. F. Schmidt and G. Ohmstede, chairman of said board.

The commissioners appointed to survey the road north of the B. & M. right of way across section 36-9-13 reported that they had been over the said proposed road and that they had had road surveyed and grade set by the county surveyor, and that they recommended said road shall be changed to said north side of the B. & M. tracks. It is understood that R. C. Burch is to build the said road from the crossing at the Narrows west to the crossing west of section 36-9-13 free of any and all cost to the county except such bridges as shall be needed. Said Burch is to buy from Wm. Irons right of way paying him for same.

It is agreed that the county board will, when said road is made and placed in satisfactory condition, advertise the vacation of the road on the south of the B. & M. right of way.
