The Harve Chaney 160 Acre Farm.
The E $\frac{1}{2}$ SE $\frac{1}{4}$ Sec., 22 & W $\frac{1}{2}$ SW $\frac{1}{4}$ Sec., 23-2-15
Franklin County, Nebraska.

This Creek Bottom farm has 75 acres of best and heaviest producing Alfalfa land in the county, and 45 acres of timbered pasture, well set in blue grass. The farm is all fenced and cross fenced. 35 acres is fenced with high woven wire and is watered by six never-falling springs and creek in pasture, well and mill at the barn and well at the house, all furnishing unlimited supplies of pure cold water. There are about 110 acres in cultivation in all, all good soil. An ideal combination of Alfalfa Bottom, and blue grass pasture, only 3 miles from the city limits of Franklin, $\frac{1}{4}$ mile from school, and only 3 miles from the corporate limits of Blomington, County seat. Heavy timber lines the creek which makes a great wind break for buildings and feed lots.

The buildings are a cozy set. Dwelling 26x52, with three porches, and cellar underneath, also cement arched cave outside. Barn is 44x44, with room for 12 tons of hay. These buildings and caves are all new. The farm is also equipped complete with the usual outbuildings. Metal roof brood sow pen for 17 sows, and other hog sheds. Two chicken houses, wagon shed, machine shed. Feed yard in timber, equipped with self feeders, etc.

There are a few apple, peach and plum trees in the small orchard with some age, and a few new trees.

This farm has one of the best garden spots imaginable, on the creek bottom, surrounded by timber. The course of a large spring has been changed by a ditch which carries the water along the upper side of the garden, giving perfect sub-irrigation to the whole garden, where the most prolific garden crops are raised. Small fruit, such as strawberries, blackberries, raspberries, etc., grow luxuriously. This garden will make the good wife happy.

This is the only Bottom farm, with pasture in connection, and well located, that we have for sale, and laying as it does so close to Franklin, adds to its value. Franklin is the largest town in the county, is making a steady growth, is a strong church town, the home of Frank Academy, mothered by the Congregational church, has a splendid High school, no saloons or billiard halls and is attracting a fine class of citizens who are making their permanent homes here.

Come and see this farm, or write us for any further information.
Price only \$12,000.00.

GERMAN AND ENGLISH SPECIALISTS

Will be at the Royal Hotel TUESDAY, OCT. 1st and Will Remain

ONE DAY ONLY

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases

OFFER THEIR SERVICES FREE OF CHARGE.

The German and English Specialists, licensed by the State of Nebraska, for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the cost of medicines. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonable, sure and certain in their effect.

These doctors are considered by many among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases, and so great and wonderful have been their results that in many cases it is hard judged to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physicians, should not fail to call.

If you are troubled with piles you should be sure to call. Don't wait for more serious complications to tell you of the dangers of this cruel disease, act now. The German and English Doctors have cured cases where other doctors, medicines and operations have utterly failed. A cure in the most severe case is practically certain.

According to their system no more operations for appendicitis, gallstones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife, with blood and with all pain.

If you have kidney or bladder troubles bring a two ounce bottle of your urine.

Deafness often has been cured in sixty days.

REMEMBER, this free OFFER is for this trip only.

Married ladies must come with their husbands and minors with their parents.

NOTICE

Carcasses of Dead Horses Should be Buried

A great number of complaints are being made to me of people who do not bury or burn the bodies of their dead horses.

Any person who places the carcass of a dead horse on any premises or any owner or occupant who knowingly permits the same to remain thereon to the annoyance of any of the citizens of this state, is guilty of a violation of the laws of Nebraska and liable to a fine of not more than \$50.00. Each day that the carcass is allowed to remain after proper notice has been given for its removal constitutes a separate offense and subject the offender to an additional fine.

The proper way to dispose of the bodies of dead horses afflicted with any contagious diseases is to thoroughly burn the dead body. You owe this duty to your self as well as your neighbor and particularly at a time such as the present no person should shirk their duty in this respect. All persons who violate the provisions of the above law will be liable to prosecution therefor.
