We have received word from Dr. Ames that his wife is improving in health, but yet, confined to her bed, and that as soon as he can close up some business and she is able to travel they will be here in Red Cloud.

The country is just now secured by enthusiastic hunters, with \$10 dogs and \$50 guns, who shoot away \$100 worth of ammunition, wear out \$5 worth of clothes, and spend \$2 worth of time to get 30c worth of game.

It is said that dancing makes girls feet large. It is also said that ice cream makes freckles. Doctors are of the opinion that hanging on the front gate produces rheumatism. A few more opinions like these and the girls won't have any fun left them.

A new paper was launched at Franklin last week, making three newspapers for that city. The new paper will be democratic. It is under the ownership and management of John A. Barker, an old newspaper man and well acquainted all over the country. He has an entirely new outfit.

Last Sunday evening at 7 o'clock at the home of the bride's parents Mr. and Mrs. Frank Pierce, who live east of this city, occurred the marriage of their daughter Miss Blanche Pierce to Mr. Thomas Swartz. Rev. Hummel was the officiating clergyman. This young couple is well and favorably known in this county and the Chief along with their many friends extend congratulations.

Our office is a sort of free congress. People of all ages, of each sex, of all political beliefs and religious creeds, come in to discuss their issues, argue questions, ask for information and seek consolation in their troubles. We do our best for them and they generally go out into the cold world feeling much refreshed. Come and see us—the "latch-string" is always out, chairs furnished and spittoons improvised when necessary.

We are forcibly reminded that "the melancholy days are come" by the amount of golden leaves piled indiscriminately about. If "father's pride and mother's joy" will direct half the energy he displays in a game of "shinny" to raking up the aforesaid leaves and burning or otherwise destroying them it will take about twenty-four hours to make the lawns about town present a marked difference in their appearance.

Word was received in this city Monday that Miss Bertha Mae Barlow and Mr. Homer B. Clemmons were united in marriage in Central City, Neb., Sunday. Mr. and Mrs. Clemmons are well known to the people of Red Cloud and their numerous friends here extend hearty congratulations. Mr. Clemmons is in charge of one of the departments of a Chicago Newspaper and is steadily climbing the ladder of success. The Chief is pleased to learn this happy news and wishes the new couple all the joys of life.

## THE WOMAN WHO WALKS

For the woman who walks there is no shoe made that can hold a candle to the Treadeasy.

While Treadeasy shoes are used and recommended for every kind of wear, they are essentially walking shoes. You can walk farther and walk easier in a pair of Treadeasies than in any shoes made, no matter what the price.

The reason?  
 Every pair of Treadeasy shoes have full rubber heels and cork cushion insoles. They won't sweat the feet and they won't tire the ankles. Treadeasy shoes are always \$3.50 the pair.
