## Albert Smith & Sons 14th Annual Sale of Poland China Bred Sows AND SHORT HORN CATTLE

Will be held at their farm, nine miles northeast of Superior, Nebraska, and two miles southeast of Cadams, Nebraska, on

**Tuesday, February 4th**

The offering consists of 3 Tried Sows, 5 Fall Yearling Gilts and 35 early, well developed Spring Gilts and five head of Shorthorn Calves from 8 to 12 months old.

These Sows and Gilts are a great bunch the equal of any ever sold from this herd, and will make the same fine big Sows that you find all over this country, and which came from this herd. We wish to call special attention to these 35 Spring Gilts. For size and quality they are the best that we have ever been able to offer the public. They are smooth and big as you will want them. The best of backs, feet and legs, and are very even and good all through. J. C. Halderman, the field man for Farmer & Stockman, says they are the growthiest and best bunch he has seen.

The Short Horn Calves consist of 1 Bull and 4 Heifers. This Bull Calf is simply a dinger. Has very dark cherry red color, and is a true Short Horn type. I think he is the best Calf ever raised in herd. The Heifers are a good, smooth, well colored and well balanced lot of Calves. Remember we are always glad to meet you here on sale day whether you buy or not. The sale will be held in a large tent this year so we can make you more comfortable than at former years. Free lunch at noon. Send for our catalogue.

Auctioneers—Col. Brennan, Col. Henderson, Col. Lotterle, Fieldmen—H. C. McKelvie, J. C. Halderman. Clerk—A. C. Felt.
