Muslin Underwear Is Not Eliminated in Newest Fashions

One might think that the straight

lines of this season's styles would preclude the wearing of dainty lingerie. This is not the case.

The Lingerie should be of fine, soft materials with laces and embroideries of fine texture. Materials for the summer underwear may be had here at the most reasonable prices. In fact, the entire summer outfit means only a small expenditure.

J. C. C. Corsets allow Lingerie to fit smoothly
