This Government Won't Put Its Money

In a bank that does not guarantee it against loss. **Why Should You?**

The United States will not deposit a dollar in a National Bank, on any other bank, unless the bank furnishes a bond for twice the amount deposited.

The United States Government can at any time make an investigation of any National Bank and learn all about its resources. But still the Government demands a guarantee for its deposits—why shouldn't YOU have protection.

Your deposits in this bank are protected by the State Guaranty Law—no matter what happens **YOU CAN'T LOSE!**

Let's All Boost For Webster County and Nebraska. You Will Get the Benefit

Notice.

Press Bulletin No. 43, by Drs. Gain and Johnson, on "The Distribution and Use of Hog Cholera Serum," has just been issued by the Nebraska Agricultural Experiment Station. This bulletin discusses the symptoms of hog cholera and the treatment, with serum, of herds which have been exposed to cholera.

The price of serum has been reduced to one cent per cubic centimeter beginning July 1, 1913, so that serum

is now available to our farmers at a lower price than in any other state where serum is sold. No serum will be shipped outside the state at this figure, as this price is made possible only thru a subsidy provided by the State Legislature in its effort to assist the farmers in the suppression of hog cholera in Nebraska.

This bulletin may be obtained without cost by residents of Nebraska by writing Director E. A. Burnett, Experiment Station, Lincoln, Nebraska

Rev. Cole was in Superior Tuesday.

New Court House Under Way

Several representatives of the different parts of the county were in the city this week and agreed upon a plan for building a new court house for Webster County. The idea is to divert a portion of the various funds into a fund known as the court house fund. By setting apart four mills for three years a fund of sixty thousand dollars will be realized which in the opinion of the meeting will be ample for such a building. This method will not cost the tax-payers of the county one cent in the way of added taxes. The levy will remain the same but some of it will be used for building purposes. This arrangement seems to meet with general approval. The following petition will be circulated at once to give the authority to the county board to proceed at once:

To the Honorable Board of County Commissioners of Webster County, Nebraska.

We the undersigned legal voters residing in Webster County, Nebraska, request and ask that the County Commissioners of Webster County, Nebraska make a levy of four mills on the dollar on all the taxable property in Webster County, Nebraska for the year 1913, and a like levy for the year 1914, and a levy for the year 1915 which added to the two former levies will raise the sum of \$60,000.00, the levy for the year 1915 in no event to exceed the sum of four mills on the dollar.

The proceeds of such levies to be known as the "SPECIAL COURT HOUSE FUND" and to be used only in the construction of a court house, tearing down or removal of the present court house, and improvements on the court house grounds, the total cost of said court house, finished, furnished and ready for occupancy, including improvements on court house grounds to cost not to exceed the sum of \$60,000.00.

The new building to be erected upon the present court house grounds at Red Cloud, Nebraska.

Crop a Large One Without Rain

Mr. and Mrs. Bert Carr are the proud parents of an 11 pound baby boy.

Rev. Nau and wife are rejoicing over the arrival of a baby girl which arrived at his home on Saturday.

Sheriff Oliver Hedge reports things at the hotel de Hedge a bit crowded, and that he has not been able to give as much personal attention to the guests of this popular (?) retreat as formerly. It all happened Saturday morning, at which time a baby girl, weighing some 10 pounds, made her appearance, and Oliver says her commitment papers read—"forever".

However, we congratulate Mr. and Mrs. Hedge on being so fortunate as to possess such a fine little lady, and feel safe in saying that as soon as Oliver becomes accustomed to the change in affairs that the guests will receive their just proportion, the same as heretofore, of the best the market affords, such as chicken, water melon, cream puffs, etc.

Band Master Betz to Leave Red Cloud

It was sad news, indeed, to learn the latter part of the week that Bandmaster J. E. Betz was making preparations to leave Red Cloud. The move is made in search of a climate which will prove beneficial to Prof. Betz's wife, she being in poor health. The Prof. has plainly demonstrated that he is a true example of one who has completely mastered his chosen profession, and both Mr. and Mrs. Betz have a host of friends here who will much regret to see them leave, but will trust that they meet with only success where ever they may locate.

Wedding Bells Ring Twice

Sheeley-Kent

On Sunday evening, July 20th, at six o'clock, at the home of the bride's parents, Mr. and Mrs. W. A. Kent, occurred the marriage of their daughter, Miss Irene, to Chester A. Sheeley. The ceremony was performed by Rev. W. F. Cole in the presence of a few close friends after which a bountiful wedding supper was served.

The bride is one of Red Cloud's most fairest, both in face and manner too, and has a host of friends in the young set. She is also a member of the Royal Neighbors, which lodge gave her a delightful shower on Friday last, at the home of Mrs. Geo. Hall, at which time she was the recipient of many beautiful presents, which in a measure attested the esteem in which she is held by all.

The groom is one of Red Cloud's exemplarily young men, is proprietor of The Royal Barber Shop, and it can also be said is an artist in his chosen line. He also enjoys the friendship of all who know him, and has, indeed, a bright future before him.

The newly married couple will reside in this city, and the Chief extends to them its best wishes, and trusts that their path through life may be a long one, and that it shall only lead in places where roses bloom and the sun shines brightest.

Cather-Garber

On Tuesday evening at six o'clock at the home of the bride's parents, Mr. and Mrs. Ed. Garber, occurred the marriage of their daughter, Miss Ethel M., to Mr. James D. Cather. The ceremony was performed by Rev. J. M. Bates, he using the impressive ring service of the Episcopal church, the father giving the bride away. The wedding march was played by Miss Josie Igou. After the ceremony was performed a sumptuous four course dinner was served.

Both the bride and groom are well and favorably known in this community, where they have resided since childhood. The bride for the past few years has been a popular teacher in the public schools of this city, and is an accomplished young lady, who numbers her friends by all who know her. The groom is a young man of sterling worth, and has for some time held a prominent position in the State Bank of Red Cloud, where by his courteous manners he has won for himself a host of friends, as well as also in a social way.

The newly-weds have gone to home keeping in the Platt house on South Walnut street, which the groom had completely furnished for "her" reception.

The Chief joins with their many friends in extending to them best wishes, and trusts that their journey through life may be a long and happy one.

Widow's Pension.

The recent act of April 19th, 1908 gives to all soldiers' widows a pension \$12 per month. Fred Maurer, the attorney, has all necessary blanks.

Notice.

A special examination for teachers' certificates will be held Thursday and Friday, July 24 and 25 at Red Cloud, only. A special reading circle examination will be held Friday, July 25.

Mrs. Hartwell Buried Friday

The funeral of Mrs. Addison F. Hartwell, of Inavale, wife of State Representative Hartwell, took place last Friday afternoon, July 18. Interment was made in the Red Cloud cemetery.

The services were held at the home, conducted by Rev. John B. Williams, pastor of the Christian church, Guide Rock, Neb., formerly minister at Inavale. Rev. Smith, of the Inavale Methodist church, and Rev. John Wintjen, also assisted. A quartette from Red Cloud discoursed appropriate sacred music.

The favorite scripture quotation of the deceased was the text of the sermon: "God so loved the world, that he gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."—John 3, 16. Following is the obituary which was read in connection with the sermon:

Estella B. Briggs was born October 10, 1856, in Weymouth, Ohio. There she grew to womanhood. She was married to Mr. Addison F. Hartwell, Sept. 10, 1884, in Brunswick, Ohio. Twenty-six years ago they came west and settled at Inavale. Mr. and Mrs. Hartwell are the parents of three children, one of whom died in infancy. The other two survive to mourn the loss of their mother—Mr. Donald H. Hartwell, and Miss Dorothy A. Hartwell.

On March 18, 1909, Mrs. Hartwell made profession of faith in Christ our Lord, and was received into the Christian church in Inavale. She has been a consistent and active member of the church; the faith and hope of the Christian was enshrined in her heart to the last. Nine months ago she fell sick, and has been an invalid since then. The best physicians in the state, held out from the first, but little hopes of her recovery. The most they could do was to relieve and help, but not cure. Fortunately, her malady entailed no very great physical pain. Her suffering was mental, rather. For she loved life and desired to be active and useful for many years yet. She felt that her daughter, now growing into womanhood, needed her care; she was devoted to her husband, her family and her home; these and other duties seemed to call to her. Her hope therefore lingered till near the end. At the last, she became quietly resigned to the final change.

Everything was done for her that loving care and the best judgment could devise. However, those kindly and generous ministrations proved unavailing to stay the ravages of disease or defeat the last enemy, which is death. Taken to the hospital at Hastings, after seven weeks there she seemed to improve, but only for a time. Later, she was removed to the hospital at Lincoln, where she remained three weeks, while the utmost efforts were made in her behalf. In addition, a trained nurse has been in constant attendance on her for many months.

Mrs. Hartwell was essentially a home lover. In her own home, she was a queen. Home was her pride and joy. She never wearied in making home beautiful and delightful.

She was kindly disposed, free hearted, and generous. Many a noble impulse of her heart, found expression in deeds of kindness. Strong spirited, and strong hearted, her energy and aspiration always outstripped her strength of body.

Card of Thanks.

We the undersigned wish to thank our kind friends and neighbors for the kindness and sympathy shown us during the illness and death of our beloved wife and mother.

Read This One

Precedent is the slow consumption that eats into the vitals of progress. It throttles ambition and makes drones of people who would and could "make good."

Years ago folks said, "competition is the life of trade." Fiddlesticks! Ideas are the life of trade. Good ideas, well carried out, are the backbone of all successful business.

The locomotive that pulls the "Pennsylvania Special" from New York to Chicago in 18 hours once lived as a big idea in the brain of Stevenson.

When we started in the jewelry business we had a little money and a big idea. The idea was to impress on you that we are selling the very best in jewelry at reasonable prices.

And judging from the splendid growth of the business you have tried it out and found it true.

Still they are a few sceptics—a few "show me" folks. To these we say one little visit—one small purchase will convince you that we have the best goods at the right price. Try it and prove it.

Perhaps you are thinking of making a gift. If so, here's your chance to save money. Gems, jewelry, cut glass, watches and novelties, silverware—an army of bargains are camped in our store. Suppose you come in and look them over today—while the best are still "on deck." You will be glad you came.

WESTERN WEBSTER

O. B. Harvey and daughter, Hazel, arrived home Sunday evening from Thomson. They went to Omaha two weeks ago to have Miss Hazel's eyes treated. On their way home they visited friends at Lincoln, Greenwood, Fairbury and Thomson.

Mr. and Mrs. Ray Cochrane visited at Clarence Herrick's Monday.

Dan Hedlin accompanied a shipment of hogs to Kansas City the first of the week and then went on further to visit at his old home place.

Mr. and Mrs. Clarence Reed are visiting relatives in Kansas City this week.

A large percentage of the hogs in these parts are being hurried to market on account of the hot winds and apparent failure of corn.

Pastures and hay lands are as dry and brown as stubble since the hot winds struck. Early corn is badly damaged, some fields being too badly burned to ever recover. Late corn is looking good and a rain soon will insure at least a part of a crop. There will be no more cutting of alfalfa on the uplands unless it rains.

C. F. Kelly has his new house nearly completed.

There is quite a lot of sickness among children reported by the doctors. It is to be hoped for the sake of the little folks that we have cooler weather and rain soon.

The whistles of the threshing machines may be heard in all directions these days.

Chris Jorgenson finished stacking Saturday.
