### This Government Won't Put Its Money

In a bank that does not guarantee it against loss.  
**Why Should You?**

The United States will not deposit a dollar in a National Bank, on any other bank, unless the bank furnishes a bond for twice the amount deposited.

The United States Government can at any time make an investigation of any National Bank and learn all about its resources. But still the Government demands a guarantee for its deposits—why shouldn't YOU have protection.

Your deposits in this bank are protected by the State Guaranty Law—no matter what happens

### Webster County Fair Big Success

The Webster county fair held at Bladen last week was a grand success in every particular. The attendance was good especially on Friday. Every portion of the program was carried out as advertised and all visitors were well pleased at the reception given them.

The agricultural exhibits were a great surprise. Nearly everyone had expected to see some few vegetables of a dwarfy character but there was nothing to characterize this year's exhibit from other years except perhaps the grain and garden truck was a bit better. Mangel wurtzels as big as a half peck measure smiled on all comers, sweet potatoes rich, mellow and big winked at the man from Illinois while the carrots and other vegetables bid defiance to any man from any country on earth. The grains were fine. The exhibit of live stock was better than last year. Altogether this year's effort was a success.

### Guide Rock's Peace Broken

Thursday afternoon Amos Dillon a retired farmer living in Guide Rock, while in a fit of anger, shot his wife twice with a shot gun and inflicted injuries which necessitated the amputation of her right arm.

Mr. and Mrs. Dillon, so the story goes, have had more or less domestic trouble during their wedded life, which covers a span of about fifteen years, and the shooting was the outcome of Dillon learning that Mrs. Dillon had the previous day come to Red Cloud for the purpose of instituting divorce proceedings. The first shot was fired at close range and shattered the arm below the elbow. The second shot was fired during Mrs. Dillon's flight from the porch to the front gate, and struck between the elbow and shoulder, tearing the flesh away and breaking the bone.

Mrs. Dillon was cared for by Drs. Reed and Ambrose, who found that amputation of the arm was necessary, and Sheriff Hedge was summoned from the Bladen fair and brought Mr. Dillon to this city where he was lodged in the county jail.

Dillon, who is in his seventies, has resided in Guide Rock for the past thirty years. The woman whom he shot is his second wife, and is only about thirty-five years of age. They had four children, Mrs. Dillon also having a son by a former marriage.

### Red Cloud Loses Two Citizens

A smoker was given in the Chamber of Commerce rooms on Monday evening in honor of Bandmaster Betz and Boone Saunders, two of Red Cloud's most prominent citizens, who are soon to leave for other fields. Messrs. Fred Maurer, F. J. Munday, C. W. Kaley, Prof. Moritz, Boone Saunders and Prof. Betz made short addresses. The best of cigars were enjoyed, and grape juice and sandwiches were indulged in during which time the carls were gently shuffled and dealt, and the ace stood for high.

There were about one hundred members present all of whom at the close of the evening's joy, shook hands with the two distinguished guests of honor, and wished for them oceans of joy and prosperity in their new fields of labor.

#### Concert Pleases Everybody

The American Concert Four, which is composed of Prof. Betz and wife and Mr. and Mrs. Gilmore, gave a splendid musical entertainment on Tuesday evening. The entertainment was Prof. Betz's last appearance in Red Cloud, and it is to be lamented on how small an audience turned out, as the concert was such as to be worthy of a packed house, as well as it was also due this musical genius, who has labored faithfully during his residence here, providing the city with one of the best bands to be found in the state, and who has never been to busy at any time to do all in his power toward the providing of the best musical entertainment for our citizens.

The concert opened with a cornet, violin and piano selection, Prof. Betz, Mr. Gilmore and Mrs. Gilmore. They gave four selections, and the first one was not complete before the audience realized they were listening to one of the best pianists, Mrs. Gilmore, that had ever visited this town.

The next number was a cornet solo by Prof. Betz, which was strongly endorsed. This was followed by a violin duet, Messrs. Betz and Gilmore, with piano accompaniment, played by Mrs. Gilmore. Then came a xylophone solo by Prof. Betz, which called for another hearty encore. This was followed by Mrs. Betz on the musical rattles, she giving two selections. The numbers were given especially for the old folks and brought forth the loudest encore of the evening. The next was a trumpet duet by Prof. Betz and Mr. Gilmore being followed by the Fanfare Quartet (known as Betz's Little Dutch band) which gave three numbers, closing the entertainment.

The Chief regrets that the citizens did not turn out in larger numbers to this entertainment, as they missed a rare treat, and it is also with much regret that we see Prof. Betz and wife move from our midst. He accomplished much good in musical circles in this city, and his place will be a hard one to fill.
