She the Guiding Star Alright

Charley Hale, who used to swing himself gracefully on the brake-wheel of a bay colored boxcar when the "narry gauge" was doing the railroad business around this part of the country, but who is heap big injun on the Chief, a paper published at Red Cloud, the county seat of Webster county, "Newbrasky," hands this bunch of posies to the schoolma'ams, and we'll pass it around to the patient and long suffering women who, without any blowing are leading our young hopefuls in the way of knowledge both in books and deportment, and her task is no easy one, requiring the tact of a diplomat and the patience of a Job and then some when the youngsters start something "agin the rules." But here's the Chief's bequet:

"The schoolma'am is the guiding star of the republic. She takes the little bantling fresh from the home nest, full of his pouts, his pets and his passions, ungovernable in many cases, a rampant, riotous little wretch whose own mother often admits she sends him to school purposely to get rid of him. The schoolma'am takes a whole carload of these little anarchists, half of whom singly and alone cannot be handled by their own mothers, and she puts them in the way of becoming useful citizens.—Winfield, (Iowa) Beacon

A LOVELY FACE-- BUT UGLY HAIR

How often you see an otherwise lovely face spoiled by homely hair—a face that would be most charmingly beautiful if she only had prettier hair. What a pity!—and how foolish! Because that ugly hair, stringy, dull, lifeless-looking though it may be, can be made as glossy, soft, silky and beautiful as the heart could desire if only taken proper care of.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—it is just a dainty, rose-perfumed liquid dressing to give the hair its natural gloss and brightness, its natural wavy softness, its natural rich beauty. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made—H. E. Grice Drug Co., Red Cloud, Nebr.

Agricultural Books Free

Every professional man has a working library if he is accomplishing the best results. A farmer is a professional man and those doing the best work have their libraries. A splendid agricultural library can be owned by any farmer at a cost of only a few cents for postal cards. The University of Nebraska publishes College, Experiment Station and Extension bulletins on practically all agricultural subjects. These are written by experts and they are for free distribution. In addition to what is said in the Bulletin the authors will be very glad to take up by personal correspondence any problems confronting the readers. To receive these bulletins a postal address to the Bulletin Department, University Farm, Lincoln, Nebraska, will bring a list of publications from which any number can be selected. In addition to the state bulletins, the United States Department of Agriculture at Washington, D. C., has a splendid list.

Frame Construction Is Most Preferable

for home building not only on account of its economy, but because of its adaptability to changing conditions. Homes built of wood are easily moved from one location to another; they can be altered or enlarged without injuring their general appearance for the reason that painting will make the old look as good as the new. Instead of painting being considered an expense it should really be held as an improvement because it freshens up the whole appearance of your home, and instead of ultimate decay and deteriorated value as is the case with substitutes that can only be renovated by building a whole new house, your home becomes constantly more valuable. This is only one of the little things to consider when building a home. "Little drops of water, etc., make a mighty ocean." Come in and we'll tell you more about lumber.
