### Red Cloud Citizen Writes

SAN MARCOS, CALIF., JAN. 6, 1914.  
To The Chief and Friends:

I have been thinking for some time I would drop you a few lines to let you know how we are passing the time in this pleasant sunshine of Southern California.

It indeed, is a pleasure to spend one's Nebraska winter in a land of flowers and fruit.

Mrs. Lindsey and myself left San Diego Dec. 30th., to attend the wedding of Clyde Pierce and visit Geo. Pierce and family.

I just had the pleasure of reading your valuable paper and it seemed like reading a letter from home.

I see you are having winter, I wonder how it would seem to the people here that were always residents of this country and many of them have never seen a flake of snow.

As I am now writing the thermometer is registering 38 degrees in the sun.

The fields of grain are growing fine, most of the crops are now sowed. The grass and small grain, reminds me of about June at home.

Oranges and lemons are now being picked and shipped. Vegetables of every description grow here. Strawberries, the largest I ever saw, 2 boxes for 25 cents. No end to fish, shams, lobsters and a fine shakedown on the ocean if one wishes. Mrs. Lindsey's friends can ask her whether she had a little experience going over to the Coronado Islands.

Mrs. Lindsey is improving nicely and I am holding my own.

As ever your old friend,  
G. W. LINDSEY.

### Y. M. C. A.

On Wednesday evening of last week the Executive Board of the Y. M. C. A., held its regular meeting, at which plans were discussed for the continuation of the work the coming year, including several features designed to increase the interest. Some competitive team work and other athletic features are planned.

Among other business transacted, an order was granted for the payment of one year's rent for the present quarters, \$200.

The new library feature is being taken advantage of by many, but there are many others who are missing a good thing by not using the means at hand.

It having come to the knowledge of the Board that the pool halls of the city are permitting high school students and others under age to frequent their places and play therein, a resolution was adopted directing the Chairman to notify the proprietors to discontinue such practices or the Board would take steps to prevent the renewing of license to them.

### Former Red Cloud Boy Married

A pretty home wedding was that of Clyde C. Peirce and Miss Zelpha Green at the home of Mrs. A. H. Green in Twin Oaks.

The home was prettily decorated, the color scheme being pink and green. At 7:30 Sanjer's wedding march was played by Mrs. D. Tracey and the bridal party took their places under a pretty canopy of green and white under the wedding bell. Rev. Sherwood spoke the impressive words that made them man and wife.

The ring service was used, following the minister came the flower girl, Miss Dora Cook, followed by little Verna Green ring bearer, bride and groom, bride's maids Alice and Edith Green, sisters of the bride, Groomsman Claude Peirce and carry sheets.

The bride wore a beautiful gown of white silk messaline with a veil of orange blossoms and carried a bouquet of Cherokee roses tied with white ribbon.

The groom wore a conventional black suit and a boutonniere bouquet of orange blossoms.

After the ceremony an elaborate supper was served when nearly 150 guests partook of the hospitality.

They were the recipients of many beautiful and useful gifts and the esteem in which the young couple were held.

The happy couple left for Los Angeles and other California cities to spend their honeymoon and on their return will make Twin Oaks their future home.

The following day a family reception was held at the home of Mr. and Mrs. Geo. Peirce, about 25 guests were present and had a pleasant time.

Mr. Clyde Peirce is well known here as he is the son of Mr. and Mrs. Geo. Peirce who resided here many years, but moved to San Marcos, Calif., a few years ago where they now reside.

The Chief along with the groom's many friends here wish them much joy and happiness.
