## The Standard Bred and Registered Trotting Stallion

### Allercyone McGregor

RECORD 2:08 1/4

ALLERCYONE MCGREGOR, No. 38880, the subject of this sketch, has a record of 2:08 1/4 on a half mile track in 1913. He is one of the stout-hearted, rugged made, game race horses, and is from a race horse family on both sides of the house, being sired by Allercyone, he by the great Allerton 2:01 1/4, his dam being the great brood mare, All McGregor, by Ben McGregor. His second dam is Anna McGregor, dam of Nut McGregor, 2:17 1/4, also the dam of Miss Belmar, the greatest race mare that ever raced over a half mile track. Also the dam of many others with standard records. The third dam is the dam of six from 2:14 to 2:21 1/4, and with the fourth dam is a croaker on his sire's side. Allercyone McGregor comes from the great Allerton family, being by Allercyone the best son of the great Allerton, who in his time held the world's million record, 2:01 1/4, to high when sully, and was the leading sire of the world; on his dam's side the first three dams were McGregor mares, which family gave us the mighty crescent, who held the million record, 2:02 1/4, for several years, and a family that has been considered the greatest race horse family in existence. Allercyone McGregor is a fine individual and a game race horse, having started 21 times and being bred for a second every time but twice. He was bred by E. K. Kline, Cambridge, Mo. In a race at Toledo, Ohio, Sept. 14, 1909, he beat his high class a mile of 2 1/2 years over a half mile track, the first heat being 2:04 1/4, equaling the track record made by Mattie China the year before. He won the heat pulled in a jog in the stretch, and it is said by all the horsemen present that he could have paced the heat in 2:02 or better. His record is no hand to his speed, as he has paced a half mile on a half mile track in 1914, a quarter in 2:09, and an eighth in 2:14. While Allercyone McGregor is a pacer himself, he is strictly trotting bred, and what few colts he has are all trotters, and show lots of speed, and he should be as great a sire as his grand sire if given an opportunity.

Will stand for season 1914, Mondays and Tuesdays at F. E. Payne's barn on Sec. 24-3-12. Thursdays, Fridays and Saturdays at Red Cloud Tie Barn, Red Cloud, Nebraska.

TERMS:—\$12.50 for the season. \$15.00 to insure colt to stand and suck.
