

The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.

Royal Baking Powder is indispensable for making finest and most economical food.

GRANT CHRISTY

Democratic candidate for the nomination of Sheriff of Webster County at the Primary Election to be held August 18, 1914

The man that made good as City Marshal of Red Cloud and who wants to meet you face to face.

One inch and thirty-five one hundredths of rain fell Sunday evening which greatly benefitted the big corn crop the farmers will raise this fall if nothing happens.

The city council has ordered in quite a lot of sidewalks. Soon we will be one of the most sidewalked cities in the state. It begins to look as tho Red Cloud is permanently fixed on the map.

Mr. J. O. Caldwell of this city has filed for the nomination of County Commissioner on the Republican ticket. Mr. Caldwell is at present a member of the city council and has served two terms in the mayor's office. His many friends are pleased that he has decided to make this race.

Mr. Joe Fogel has filed for the nomination for the office of County Commissioner of District Number Four on the Democratic ticket. Mr. Fogel has had experience in public matters and is well acquainted with the needs of this county. His friends believe that he is just the right man for this position.

Many of the state politicians seem to forget that we make our bread and butter by setting up type and printing a newspaper. We are asked nearly every day to publish glowing articles about this or that candidate for state office free of all charge. They might just as well ask to have their lawns mowed or their floors swept without money and without price as to ask an editor to fill up his columns with praise articles with less than thank you for his trouble.

Democratic County Convention. The Democrats of Webster County are hereby called to meet in Mass Convention in the city of Blue Hill, on July 17, 1914, at 10 a. m. for the purpose of electing 12 delegates to the state convention to be held at Columbus on July 28, '14, also to elect a County Central Committee, and transact any other business that may properly come before said convention.

By order of Committee.
GEO. W. HUTCHISON, Secretary.

Notice of Final Report. In the County Court of Webster county, Nebraska. In the matter of the estate of James McPartland, deceased. All persons interested in said estate are hereby notified that the Executor has filed a final account and report of her administration, and a petition for final settlement of her account and a discharge from her trust which have been set for hearing before said court on the 11th day of July, 1914, at 10 o'clock A. M. when all persons interested in the premises may appear and contest the same. Dated this 6th day of June 1914.

(SEAL) A. D. RANNEY, County Judge.

THE ALARM is a dreadful thing for the man without insurance. Every time he sees the engines racing along his heart comes up in his throat if the fire is anywhere near his place. What folly, what mistaken economy.

THE COST OF INSURANCE need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.

are many, Lee's is the best buy. First, because a pound and a quarter for 25 cts. instead of the usual 15 ounces; second because obtainable at most every town; third because complying fully with the Insecticide Law. Equally good for grown tows or chicks. Especially fine for scum hens. You cannot raise chickens profitably unless kept free from lice and you need something that is economical and easy to use as well as effective. That's Lee's. Put up in round sprinkler tin cans. 2 lbs., 25 cts. and 30 cts. Sold by 10,000 dealers in U. S. and Canada. Write for free poultry book and samples.
