"Talk With Us About Your Wants"

Your Watch Ideal

Many people have learned to consider such, and such a watch as an ideal time piece.

When they buy they want that particular watch.

We don't blame them because we have watch ideals too—and ideal watches.

They are the South Bend and the Hamilton and the Howard and one or two others. These we have learned to depend upon—these we buy and sell each year in greater quantities. And before you make a watch purchase we would like to talk to you about these movements. May we?

To The Democrats of Webster County:

I have filed as a candidate for sheriff and believe if I am nominated I can be elected.

I came within one hundred votes of being elected against Sheriff Hedge when the balance of our ticket was defeated in some instances as much as 700 votes. Our ticket should be scattered over the County to get results and there is no other candidate in the southeastern part of the county.

Subject of sermon Sunday morning at the Congregational church: "Jesus and Life"

Chautauqua Was An Old Pioneer Laid To Rest

Thursday afternoon's session of the Chautauqua was opened by a prelude by the Hoosier Male Quartette and was well received. Miss Fola LaFollette delivered an address on "The Democracy of Woman's Suffrage" and was ably delivered. Miss LaFollette is a pleasing speaker, well versed in her subject and her lecture created much discussion among those who heard her.

The evening session was given by the Hoosier Male Quartette and though ably rendered, they seemed hardly able to hold the audience for a whole evening, which fact holds good on several evenings of this year's program.

Friday we were entertained by the Welch Gwent Male Singers, sixteen in number, who greatly pleased the audience at both sessions of the day.

Saturday the Gilbert Shorter players gave an entertaining prelude followed by Father John Daly of Milwaukee, who lectured on, "Marriage and Divorce," giving a very able lecture. After a short concert by the Gilbert Shorter Players, which was a variety of vocal, violin and piccolo solos and a short sketch in oriental costumes, the evening session was closed by Dr. Mattison W. Chase, who lectured on, "Big Bugs and Big Humbugs," which proved to be an interesting subject.

Sunday the last day a prelude by the Croation Tamburican Orchestra of Hungary was a treat for all who heard them. The lecture of the afternoon was delivered by Dr. Fox of California, who was a strong and intelligent speaker, and whose lecture was enjoyed by a large audience.

The evening session by the Croation Orchestra drew another large audience this being the closing number of the Chautauqua, which this year was a success, the attendance being good throughout the entire session.

A Golden Wedding

Tuesday, August 4th., being the fiftieth wedding anniversary of Mr. and Mrs. Joshua Martin living seven and a half miles northwest of Inavale, seventythree friends and relatives met with them to spend the day and to say they did celebrate would be putting it mild.

Mr. and Mrs. Martin were the parents of three sons and four daughters. There are five still living—two sons and three daughters. Two daughters, Mrs. L. H. Rowe of Marysville, Kas., and Mrs. A. S. Stingley of Odell, Nebr., and one son L. T. Martin who lives near the home place. One son of Imperial, Nebr., and one daughter of Goldendale, Wash., being unable to attend.

Two sisters of Mrs. Martin, Mrs. Florence Blanchard and Mrs. Carrie Iles both of Marysville, Kas., being among the guests, also one brother Oscar Neal.

They have twenty grandchildren and six great grand children. Just before the guests were seated around the dinner table Rev. Smith of Inavale made a well chosen talk for the occasion after which all sat down and the way they ate of all the good things prepared went to show that the dinner was heartily enjoyed by all. It seemed as if each one who helped prepare the dinner tried to out do the other person and to show their skill in the culinary art.

At a late hour the guests departed for their homes feeling they had spent a day long to be remembered. There were several nice and useful presents left Mr. and Mrs. Martin to show the high esteem with which they are held by their friends and neighbors. A guest.

There will be regular morning and afternoon services at Red Cloud and Ash Creek next Sunday. Let the Methodists of Red Cloud remember the roll call for Benevolences Sunday morning.

Mrs. Fannie Havel wife of John Havel Sr., passed away at their home in Batin township Monday afternoon after an illness of several months. She was born in Bohemia and was 72 years old at the time of her demise. Mr. and Mrs. Havel moved to this county in 1872 from Bohemia and homesteaded a farm in Batin township on which they have resided ever since. To this union were born—five daughters and two sons, one daughter died several years ago. The funeral was conducted at the home Wednesday morning by Rev. Hummel and interment took place in the city cemetery.

Grind Wheat For Pigs

A great saving can be effected by grinding the wheat for fattening pigs according to some very recent experiments of the animal husbandry department at the University Farm. Other facts determined by the experiments are:

Pigs can be fattened on a shorter feed with ground wheat than with whole wheat.

Owing to the faster gains made and the better finish obtained, a small amount of tankage can generally be profitably fed with ground wheat.

In case conditions are such that grinding the wheat is not practicable, a small amount of tankage fed with whole wheat will materially increase the rate of gain and, on the basis of present prices used in the experiment, will materially increase the profit obtained.

Dr. Nellie E. Maurer is expected home Friday from a month's vacation spent at Colorado points.

The churches of our city will unite in another Gospel service Sunday evening at the Washington school grounds at 8 o'clock. Rev. John J. Bayne, pastor of the Congregational church, will speak on the subject: "World War and the Inevitable Victory".

On last Saturday morning while A. T. Walker and Grant Etherton, a Mutual oil salesman from Superior, were out riding in a Ford car it turned turtle from some unknown cause on North Webster street injuring both men seriously. Mr. Walker received a bad gash on his head and the doctors had to take several stitches to sew up the wound. He is getting along nicely at this writing. Mr. Etherton was pinned under the car and received a very bad wound in his left leg and was taken to his home in Superior.

The Webster County Fair will be held in Bladen next month. Already the indications are that this will be the greatest fair ever given in the county. We will not only have the very best farm products but we will have an active management that will keep things moving and will make the fair a real success. Bladen is sparing no pains this year to make the fair a hummer. We are looking forward with eager anticipation to this yearly event and we are satisfied there will be no disappointments.

A newspaper coming into your home is such an intimate part of your daily life that you should choose it as you would a friend. First, you want one in which you have implicit confidence. Even with a friend you are more watchful in matters in which he has a self-interest. Why not more so in the case of a newspaper? The State Journal is the one state paper that does not have some sort of personal interest in political affairs, its owners and publishers not being office-holders or office-seekers. Why not choose such a paper? Just to show you how different the Journal is, it will be mailed from now until Jan. 1, 1915, for only \$1, including the Sunday Journal. This is a great reduction just for a trial and the paper will stop when the time is up. Send in your order today and the paper will start at once. Address State Journal, Lincoln, Neb.
