On last Saturday afternoon the two little boys, aged 2 and 4 years, of Mr. and Mrs. E. C. Wintjen, who live south of Inavale, died after a short illness of a week's duration. John was in the employ of the Red Cloud Auto Company for the past two years, is an A-1 mechanic, a careful driver and thoroughly understands the automobile business. We regret to see him move from among our midst, and have heard any number express the same feeling, particularly those whose cars he has kept in first class running order during his residence here. However, we predict success for him in his new field of labor, as we know he is well qualified for any position around a garage which requires mechanical ability.

J. O. Webster and Jenn Laird returned to Lawrence Saturday. Mrs. Robert Johnson has returned to her home at Matook after visiting with Mrs. L. H. Blackledge the past week. Someone has advanced the opinion that the letter "e" is the most unfortunate letter in the alphabet, because it is always out of cash, forever in debt, never out of danger, and in hell all the time. For some reason he overlooked the good points of the letter, as we call attention to the fact that "e" is never in war and always in peace. It is the beginning of existence, the commencement of ease and the end of trouble. Without it there would be no meat, no life and no heaven. It is the center of honesty, and makes love perfect and without it there would be no editors, devils or news.—Ex. City Council Meets Red Cloud, Sept. 1, 1914. To The Public

I have sold my feed store and poultry business to Sherman Beasley. Mr. Beasley is not a stranger to the people of Red Cloud and vicinity, where he has been a respected citizen for many years. He is honest, upright and accommodating and will give my old customers as well as any new ones that may patronize him "a square deal." I believe for him a good business. As for myself I intend to remain in Red Cloud regardless of whether I am elected county treasurer or not. Thanking you for the liberal patronage you have given me, I am, Yours truly, GEO. W. TRINE.

No Gamble

You can get a dollar's worth of merchandise in our store for one dollar. We don't force you to take a chance on a house and lot, nor an automobile, neither do you get trading stamps and when you get three million of them you may get something. Neither do we give you tickets good for trashy crockery. In fact, there is no chance when you trade with us. You are sure of what you get.
