Your Watch Ideal

Many people have learned to consider such, and such a watch as an ideal time piece.

When they buy they want that particular watch.

We don't blame them because we have watch ideals too--and ideal watches.

They are the South Bend and the Hamilton and the Howard and one or two others. These we have learned to depend upon--these we buy and sell each year in greater quantities. And before you make a watch purchase we would like to talk to you about these movements. May we?

Letson Is Nominated Red Cloud Postmaster

The following is taken from the Omaha Bee, under date of Wednesday, September, 30th:

"In accordance with the agreement made Saturday, between Senator Hitchcock, Chairman Thompson of the Nebraska state committee and the postmaster general, the name of H. C. Letson for postmaster at Red Cloud went to the senate today. The nomination will not be opposed by Senator Hitchcock, notwithstanding he had months ago recommended Hutchison for the position, and Letson will undoubtedly be confirmed."

The Farmers' Institute

The Farmers' Institute will be held in this city November 10-13. The experience of the past is that this institution is one of the most helpful affairs for this country that ever has been inaugurated. Each person can see the very best that all the others produce and this stimulates an ever increasing desire to do better and better. Then, too, the lectures given by the Agricultural School professors have been highly satisfactory. With the cooperation of the school, the farmers and the business men, it makes a hard combination to beat for real efficiency.

We expect the exhibits of all kinds will far surpass any previous year and a record attendance is assured. Let everyone do whatever he can to make this year's institute a big success.
