Everyone Knows

Everyone knows that the merchants
of this town must compete in price
with the outside dealer, or their car-
reers will come to a sudden end.

Everyone knows this, everyone real-
izes it, yet much money floats away
from this community which should be
spent in our local stores.

Everyone knows that at least some
of our merchants realize the necessity
of advertising—the demand for it on
the part of the buyer—and are making
weekly use of the columns of this paper
in placing before the buying public
those facts which they have a right to
expect.

FIRE
THE ALARM OF FIRE is a dreadful thing
for the man without insurance. Every time he sees the
engines racing along his heart comes
up in his throat if the fire is anywhere
near his place. What folly, what mis-
taken economy.
THE COST OF INSURANCE is so small that it
need hardly be considered. The freedom from worry
alone is worth it many times over.
Have us insure you to-day.

**Imported French Percheron Stallion
DAMIER, No. 40282**

DAMIER is well known in this vicinity as
a great draft stallion. His colts always
show his breeding, and have sold at
much higher prices on the market than
colts from any horse ever stood in Camp-
bell. Lyman Eastman raised some fine
colts from him; one at 3 years weighed
1985 pounds. He sold him for \$400, and
the man that bought him sold him for
\$600. Joseph Brunke raised 2 that at 3
years weighed 1700 and 1900, and he sold
them for \$50. His colts always bring
big money on the market. I have a pair I
have been offered \$480 for. He is the
horse that you want to raise colts
from that you can be proud of. Come and
look at the fine string of colts I have of
his.

Will stand for season of 1915 at F. E. Payne's barn,
section 34-3-12.

TERMS—\$12.50 for the season; \$15.00 to insure colt to be
ten days old.

Should owner of mare part with same, or remove from county,
service fee becomes due at once. Care will be taken to prevent acci-
dents, but will not be responsible should any occur.

The Standard Bred and Registered Trotting Stallion

Allercyone McGregor

RECORD 2:08 1/4

ALLERCYONE MCGREGOR, No. 3880, the
subject of this sketch, has a record of 2:08 1/4 on a
half mile track in 1910. He is one of the stout-
est, rugged-made, game race horses, and is
from a race horse family on both sides of the
house, being sired by Allercyone, he by the great
Allerton, 2:09 1/4, his dam being the great brood
mare, All McGregor, by Ben McGregor. His
second dam is Maude McGregor, dam of Nut
McGregor 2:17 3/4, also the dam of Miss Delmarch
McGregor, the greatest race mare that ever raced over
a half-mile track. Also the dam of many others
with standard records. His third dam is the
dam of six from 2:11 to 2:23, and with the fourth
dam is a producer on his sire's side. Allercyone
McGregor comes from the great Allerton family
being by Allercyone the best son of the great
Allerton, who in his time held the world's
dam's side the first three dams were McGregor mares, which family gave us the mighty
Crecus, who held the stallion record 2:02 1/4, for several years, and a family that has been
considered the gamest race horse family in existence. Allercyone McGregor is a fine
time but twice. He was bred by E. R. Kneil, Carthage, Mo. In a race at Toledo, Ohio,
Sept. 14, 1910, he beat as high class a field of 212 pacers as ever started over a half-mile track.
The first heat being 2:09 1/4, equaling the track record made by Mattie C. Himes the year be-
fore. He won the heat pulled to a jog in the stretch, and it was said by all the horsemen
present that he could have paced the heat in 2:08 or better. His record is no limit to his
speed, as he has paced a half-mile on a half-mile track in 1:52 1/4, a quarter in 0:25, and an
bred, and what few colts he has are all trotters and show lots of speed, and he should be as
great a sire as was his grandsire, if given an opportunity.

Will stand for season of 1915, Monday, Tuesday and Wednesday
at F. E. Payne's farm; Thursday, Friday and Saturday at Red
Cloud Tie Barn.

TERMS—\$12.50 for the season. \$15 to insure colt to be ten
days old.
