Regarding Police Protection

Considerable dissatisfaction is found among the business .men as regards the police protection now furnished the city at night. Whether the present policy is being adhered to on the tives this week. suggestion of the Mayor, or not, we cannot state, but The Chief, together with a majority of the business men. is in favor of the marshal being re-Heved of work during the day time. and having him on duty at night. Since the saloons in this city have been a thing of the past, it is a rare occassion that calls for the marshal's services during the day light hours, and to know he was on the job at night, would relieve many of considerable

No man, no matter how efficient, can work a night shift and a day shift tolosing, and we trust that the Mayor may soon see that it is for the best interests of the city to have the marshal placed on a regular schedule of hours, which will cover the night shift exclusively.

> The examiner states that there are more than twenty five aliens now re siding in Webster county who are in possession of worthless declarations of intention, as they failed to apply for final papers before their declarations became seven years of age. As all declarations filed since Sept 26, 1706, bear upon their face the legend "Invalid For All Purposes Seven Years After The Date Hereof," the examiner states that any use by an alien of a paper which has expired is contrary to the laws of the United States. The Government has a complete record of the names and addresses of all declarants, including those who hold worth-

"O, I'm a dowager and must give up all thought of having a figure."

NOT AT ALL, your appearance at the dowager period is more important than in your younger days, when you had youth to carry it. It is quite easy to hear, "How graceful she is, and a large woman too!" This is accomplished if your corset selection is right, nor is it necessary to choose an expensive model.
