STREAM OF TROOPS LANDED AT SALONIKI.

STANLEY ELECTED GOVERNOR

Republican Candidate Concedes Defeat in Kentucky Election—Serious Break in British Cabinet.

Western Newspaper Union News Service. London.—The continued landing of British and French troops at Saloniki is causing some uneasiness to Bulgaria and Turkey and the ministers of those two powers have again protested to the Greek government, which took formal notice of their protest.

Serious Break in Cabinet. London.—Winston Spencer Churchill, chancellor of the Duchy of Lancaster, has resigned from the cabinet and will join his regiment, the Queen's Own Oxford Hussars, of which he is major, and is now in France.

STANLEY ELECTED GOVERNOR.

Republican Candidate Concedes Defeat in Kentucky.

Louisville, Ky.—The election of former Congressman A. O. Stanley, of Henderson, democrat, as governor of Kentucky, is conceded in a statement issued by Edward P. Morrow, of Somerset, republican gubernatorial candidate in the election of November 2.

Heavy Advance in Drugs.

Lincoln.—Colds and headaches will be expensive this winter if one judges by advances in prices of cures for these ailments. Aspirin, quinine and all the members of the bromide family are rapidly soaring highway, say Lincoln druggists, and eastern manufacturers are using cocoa butter instead of glycerine in some compounds.

Laughed Himself to Death.

Hastings, Neb.—Few enjoy a joke better than did William Schellak, and it has developed that a burst of laughter terminated in his sudden death Thursday night. While Ed Bing, paving contractor, was boasting to his ridiculing friends about his Ford car he replied to a question that it was worth \$350.

Dies Seven Years After Injury.

Omaha, Neb.—After a fight against death which lasted seven years, Robert Campbell Cunningham, twenty-seven, youngest son of Col. C. G. Cunningham, died Thursday morning at the family residence, 703 South Thirty-sixth street, of football injuries sustained on Bellevue field in 1908.

Wichita, Kan.—Arthur Heuser,

brought here from Indianapolis, was identified by Miss Grace Slater as being the slayer of William H. Smith, national secretary of the Woodmen of the World, who was murdered in Omaha, October 16. Miss Slater, the only eye-witness of the killing, picked Heuser from among thirty-seven prisoners in the county jail.

Think Neutrality Violated.

Washington.—The American steamer Zealandia was forcibly searched by a party from a British cruiser while lying in the port of Progreso, Mex. The American consul reports the cruiser now lying outside, presumably waiting to seize the ship.

Havas agency, dated November 5, says that an official statement issued by the Serbian legation estimates the Bulgarian losses in killed and wounded up to the present at 100,000.

Chicago.—Two hundred and twenty-

seven persons were killed in Chicago by automobiles from December 1, 1914, to November 1, this year, according to figures compiled in Coroner Hoffman's office.

On Verge of Revolt.

Douglas, Ariz.—The Villa garrison at Nogales, Sonora, including the forces left there by Jose Maytorena, are on the verge of revolt and turning over to Carranza, according to official advices here.

Had No Effect on Stock Market.

London.—The American note scarcely affected the stock market beyond causing some hesitancy in dealing in the American section, where moderate sales were recorded at fractionally easier prices.

Job for Former President Taft.

Washington.—President Wilson has appointed former President William Howard Taft chairman of the central committee of the American Red Cross, to succeed Major General George W. Davis, retired. General Davis resigned on account of ill health.

Chinese Governor Assassinated.

Shanghai.—Admiral Tseng Ju Cheng, governor of the Shanghai district, has been assassinated. His secretary, who was with him at the time, was seriously wounded.

KANSAS TOWN VISITED BY NOVEMBER WINDS.

Money Once Sent to Germany Will Come to America—Score of Americans Lost on Ancona.

Western Newspaper Union News Service. Great Bend, Kan.—Twelve persons at least were killed and more than one hundred injured, many of them seriously, in a tornado which swept through the residence section of Great Bend at 7:30 Wednesday night.

The property loss is estimated at half a million dollars. The city water plant, a laundry, three flouring mills, the Santa Fe depot and fifty residences were demolished.

Among the towns in which buildings were reported destroyed were Clafton, Holmston, and Larned.

Several thousand sheep were killed, the animals being hurried into the air as the storm struck their feeding place.

Americans Lost on Ancona.

Washington.—About twenty-seven Americans are believed to have been lost with the torpedoed Italian liner Ancona, according to a cable to the state department from Ambassador Page at Rome.

The ambassador said the probable American victims of the tragedy were Alexander Patattivo, his wife and four children of New York and Mrs. Frances Mascolo Lamura and about twenty unnamed third class passengers.

Mrs. Cecil L. Grell (first reported Grey) was named as the one known American survivor among the passengers.

Ambassador Page and American consuls through Italy have been instructed by Secretary Lansing to cable immediately all information available concerning the torpedoing of the Italian liner, Ancona, and to ascertain particularly whether other Americans were lost.

London.—A dispatch to Lloyds from Bizetza says that 300 persons on the Ancona were drowned. Most of the lost, the message says, were women and children emigrants.

Millions for Machinery, Once Spent in Germany, Will Come to United States.

New York.—France will be a heavy buyer of American machinery at the close of the war, Maurice D'Amour, head of a French commercial and industrial commission which has just arrived here, asserted.

"Heretofore we have spent \$160,000,000 a year in Germany for machinery alone," said D'Amour, who was formerly French consul at New Orleans and is now secretary of the commission on appropriations in the French chamber of deputies.

"That money will go to the United States."

German Winter Has Set In.

Rotterdam.—Great anxiety exists in Germany because of the unusually early winter which began October 26 with a frost and a heavy snowfall in Berlin. An examination of weather records shows that such severe winter has not been known at such early date in two centuries.

German Cruiser Torpedoed.

Berlin.—The small German cruiser Undine has been torpedoed and sunk by a submarine off the Swedish coast, it was officially announced here. "The small cruiser Undine," says the official announcement, "was sunk by two torpedoes from a submarine on the afternoon of November 7 while patrolling the south Swedish coast. Near Sir Christopher Cradock's squadron Undine was a protected cruiser of 2,672 tons displacement, 328 feet long and 15.8 feet in depth.

Commercial World Going Ahead With Unexampled Rush—Says Ancona Attempted to Make Escape.

Western Newspaper Union News Service. Harbin, Manchuria.—Russia's last call for reserves took 3,000 men from this city, which has a population of 30,000 inhabitants. Although Manchuria is not Russian territory and Harbin is nominally a Chinese city, Russian control of the railways and other great corporations, which are developing North Manchuria, has made the line between Siberia and Manchuria very imaginary.

Says Ancona Tried to Escape.

Berlin.—The Austro-Hungarian admiralty has officially announced that the Italian steamship Ancona attempted to escape at full speed after a warning shot had been fired across her bow and that the vessel only stopped after being shelled several times by an Austrian submarine, says the Overseas news agency.

BUSINESS AT BOOM POINT.

Progress in Commercial World is Almost Unexampled.

New York.—Dun's Review reports that notwithstanding the rapidity of the movement there is no slackening of the advance that foreshadows the greatest commercial development in the history of the country. Following many months of gradual recovery and adjustment to new conditions progress has come with such a rush that reaction is feared in some quarters, yet the economic position steadily gains in strength and seldom if ever has the situation so favored continued expansion.

Granted Increase in Rates.

Jefferson City, Mo.—The Missouri public service commission has granted the railroads of Missouri partial increases in freight and passenger rates and granted the railroad permission to charge a passenger fare of 2 1/2 cents a mile on one way tickets, 2 1/2 cents a mile on round trip tickets, and fixed a rate of 2 cents a mile on mileage books for 500 to 1,000 miles.

Negro Educator Succumbs.

Tuskegee, Ala.—Booker T. Washington, foremost teacher and leader of the negro race, died early Sunday at his home here near the Tuskegee institute, of which he was founder and president. Hardening of the arteries following a nervous breakdown caused death four hours after Dr. Washington arrived from New York.

Rome.—The Italian chamber of deputies

will assemble December 1. The session is expected to last a week. The chamber probably will extend to the government for a further period full powers to carry on the war.

San Francisco, Cal.—Frank C. Zehrung

of Lincoln, Neb., was unanimously elected president of the Western baseball league. The election will go into effect January 1, 1915. The schedule meeting is to be held in Lincoln February 15.

Fifth Successive Champions.

Lawrence, Kan.—Flashing a brand of offensive football that was fully equal to their most brilliant efforts during the all-victorious campaign of 1914, the Nebraska Cornhuskers literally pulverized the Kansas Jayhawkers Saturday on McCook field, achieving a 33 to 0 triumph and annexing their fifth successive Missouri Valley championship. Barring a failure to kick two goals, the score was an exact counterpart of the five-touchdown victory over the Jayhawkers last November on Nebraska field.

Washington.—Secretary Lansing

announced that the state department was making every effort to gather information and details on the sinking of the Italian liner Ancona. The department is yet unable to determine how many Americans were lost. It is entirely without official advices as to the nationality of the submarine which shelled and torpedoed the ship. Statements will be taken from survivors, and the United States will gather all possible information before taking the matter up with any foreign government.

GET INTERESTING SPECIMENS.

New Bed of Indian Relics Found in Adams County.

Lincoln.—A new bed of Indian collections has been unearthed in Adams county, which gives promise of containing some interesting specimens. A box of specimens from W. E. Thorne, of Binden, and an explanatory letter telling of the find came to Dr. Melvin Gilmore, of the State Historical society, and he plans to leave for the site at once to direct the investigation. Mr. Thorne wrote that Mr. Reed in digging a cellar on the southwest section 36-5-12, Logan precinct, Adams county, dug into an Indian grave in which were found a few pieces of clay pottery, a quantity of beads, fragments of bones, several human teeth, pieces of bark, some ear shaped sticks in a bundle and a skull which retained its shape but could not be handled without crumbling.

First Seedling Mile Finished.

Kearney.—The Lincoln highway seedling mile, constructed of concrete, was completed last week on schedule time. The roadway is sixteen feet in width and of excellent construction, running past the state tuberculosis hospital and adjoining the state industrial school. It is laid in the most attractive part of the country on a beautiful thoroughfare. It is planned to erect electroliters at the ends of the mile and also to build a concrete bridge across the waste weir from the electric power house, which will be lighted at night by electricity.

Poultry Show at Falls City.

Lincoln.—Officers of the Nebraska State Poultry association definitely decided to hold their next annual state convention and exhibit of poultry in Falls City, the third week in January. A large city auditorium is to be used for the exhibit. It is of such size as to insure the greatest amount of floor space ever used for this show. The Nebraska State Poultry association is now in its thirty-first year and was the first state organization of its kind ever to receive aid from the state.

Home-Made Dyes Popular.

Lincoln.—Dyeing of garments by letting them stand a week in a logwood or sumac solution may be the "great grandmother method" resorted to by Lincoln dyers in an effort to provide a substitute for the preparations cut off by the European war. A local dyer has departed for eastern points in a desperate effort to buy, borrow or coax a few pounds of dyes out of some of his dyemen acquaintances of that region. If he returns without any dyes, the above method will be given a trial.

Kills Mammoth Bald Eagle.

Kearney.—A bald eagle, measuring over six feet from tip to tip, was shot and killed by Mart Moran of this city, south of the Platte river. Moran was in quest of ducks when he spied the big bird swooping down on a scampering rabbit. Although quite a distance away, he fired and several shots took effect. The bird made straight for Moran's dog, and two more shots were fired before it fell. Moran will have it mounted and added to his extensive collection of trophies here.

Omaha.—Members of the Nebraska

Peace society are getting behind an effort to induce President Wilson to co-operate with other neutral governments in calling a conference of neutral nations to receive suggestions for settlement of the great war by the belligerents.
