Henry E. Phares Weds Miss Gertrude Milligan

A wedding which came as a complete surprise to the many friends in this city, of both the bride and groom, was solemnized Sunday evening at McCook, the following account of which we copy from Monday evening's McCook Tribune:

"Last evening, at the home of her father Engineer Charles Milligan, Miss Gertrude was wedded to Mr. Henry Phares of Central City, Nebr. Rev. Louis Heib of the Congregational church performed the ceremony in the use of the impressive and effective ring form. The families and a few intimate friends were witnesses of the happy event. The ceremonial was consummated under a canopy effect and the general house decoration was in Christmas colors and symbols, with the added heart effect and a Christmas tree in attractive ornamentation and illumination. The bride was charmingly gowned in white georgette crepe over white silk; bodice of white brocade with short sleeves and low neck. Her going away dress was of brown velvet. After the ceremony dainty refreshments were served, Mrs. E. F. Stoelting and her sister, Mrs. Murphy of Brookfield, Mo., assisting in the serving. The bride is the accomplished, charming daughter of Engineer Charles Milligan and numbers McCook friends and well-wishers by the circle of her admirers. The groom is a sterling young man who was a childhood friend in the old Red Cloud home. They left, last night, for Hastings and Grand Island, and in a week or so expect to be at their future home in Central City."

Henry E. Phares, is a son of Mrs. Barbara Phares, and while not exclusively a Webster County product, having been born in Topeka, was raised here, and graduated from our high school, after which he taken a law course at the state university, and was admitted to the bar a few years ago. He is a young man to whom the name "worthy" seems inadequate. He is more than this—he possesses exemplary habits is industrious and has a future ahead of him which is indeed bright to say the least.

The bride, is also well known here, having resided in this city during childhood days. She is a lady of whom we are confident will in every way prove a helpmate to the man she has given her hand.

To Mr. and Mrs. Henry E. Phares, The Chief together with the entire community, joins in wishing them a long, happy and prosperous life.

Mrs. Sarah Holsworth

Mrs. Sarah Holsworth, after years of suffering, passed away at her home in the west part of this city on Sunday, December 26th, aged 79 years, 9 months and 18 days.

She was born in England, March 7, 1836, and was united in marriage to Wm. Holsworth March, 7, 1864. In 1870 she and her husband moved to Canada where they resided for a year then came to Red Cloud. Six children were born to this union all of whom, except one, survive the mother. Mr. Holsworth died March 4, 1911.

The lady was a pioneer member of the Presbyterian church, a kind mother, a good neighbor, and her death is a loss to the entire community.

The funeral services were held at the home Tuesday afternoon, Rev. J. L. Beebe and Rev. W. F. Cole having charge of the services.

Christmas At The Red Cloud Churches

Christmas Eve was fittingly observed at the Methodist church. A large crowd was present and was afforded a real treat in hearing the Cantata given by the Sunday School children. The entertainment also included a real live Santa Claus, and a Christmas tree which was loaded with the annual Christmas treat for the boys and girls.

A delightful program was given Christmas evening by the United Churches for the children of the Sunday School. A fourteen foot tree was beautifully decorated and loaded with good things for the boys and girls. About one hundred dollars worth of clothing and food was collected and distributed to gladden Christmas day. A large number were present and all report a good time.

The South Side Mission gave a splendid Christmas program Thursday evening, the chapel being crowded with eager listeners. All the children present enjoyed a fine treat—consisting of candies, nuts and toys. The Christmas tree was beautifully decorated and made attractive, and the service was one of great interest to all present.

Card of Thanks

We wish to thank everyone for their kind assistance and sympathy after the death of James, our beloved son and brother.

An Accident Costing Life Of A Young Lad

The joy of Christmas morning was turned to the bitterest of grief at the W. L. Bogenrief home, southeast of this city, when it was learned that their eleven year old son, James, had been accidentally shot while out rabbit hunting, with an older brother, with a gun which had been given him that morning as a Christmas present.

The fatal accident occurred some distance from the Bogenrief home. On reaching a barbed wire fence the older boy crawled thru first and James was passing the gun thru to him with the muzzle pointing toward himself when the gun was discharged, the bullet striking near the heart. By the aid of the older boy, he endeavored to reach home, but died when about a half mile distant.

Dr. Damerell and Coroner Amack were summoned, but as related above, the boy had expired before their arrival. The doctor states that the wound was such that medical attention would have been of no avail, the bullet having glazed his heart.

The funeral was held at the home Monday, Rev. L. Hicks of the Highland M. E. church officiating. Interment took place in the Highland cemetery.

The bereaved parents and relatives have the sympathy of the entire community.
