A word in regard to our Wednesday and Thursday five and six reel photo plays.

In the first place there are no better pictures made—there are many as good but none better, mind that. Superior and other towns charge an extra price for the same class of pictures. We make no extra charge, trusting to an increased patronage to meet the increased expense. We hope to make the experiment a success.

This line of pictures is running in all the first class picture theatres in Lincoln, Omaha, Hastings, Kansas City, etc., just before or just after they are run in Red Cloud. We are giving our patrons the top of the market, bright, new and clean. You won't see any better anywhere.
