GEORGE J. HUNT
A Lawyer of Wide Experience
For Associate Justice of the Supreme Court

Twenty-five years in Omaha, ten years in Bridgeport, western Nebraska, has made George J. Hunt a most desirable candidate for the State Supreme Court.
Those who know him call him "A young man with a ripe legal experience."

MAYOR CHAS. W. BRYAN

Democratic Candidate For Governor

Mayor Bryan favors the re-election of President Wilson.

Endorses business administration of Governor Morehead.

Mayor Bryan is urging a reduction of telephone rates. He defeated fire insurance combine bill in last legislature, saving fire policy-holders probably \$500,000 annually, and will continue to favor competition in rates. Favors scientific good roads building under supervision of state and county engineers. Favors rural credits system for farmers. Favors state bail insurance. Urges public development of water power to furnish cheap electric current to light homes and operate machines on farms and in factories, to supply heat and to operate interurban railways.

These practical and constructive measures are in operation in other parts of the country but impossible in Nebraska on account of inter-ference of special interests' under leadership of booze interests and their lobbyists. Help drive them out and legislate for Nebraska people the same as has been done for Lincoln people. Free the party and party machinery from interference of the special interests, and elect all county and state officers under the leadership of Mayor Bryan as candidate for governor, who has had experience in executive affairs and who has a record of achievement in Lincoln. Primaries April 18.

FOR STATE SENATOR

Chas. E. Samuelson, of Hildreth

Chas. E. Samuelson, of Hildreth, Franklin county, is a candidate for State Senator, in this, the 20th Senatorial district. Mr. Samuelson has been a resident in the vicinity of Hildreth for 25 years, is now president and manager of the Hildreth Mercantile Co., and has many other financial interests in Hildreth and Franklin county. Petitions circulated by his friends brought him into the primary contest for senator, and having been active in state and county politics, only as any good citizen might in the study of laws and economics, and possessing comprehensive, practical ideas as to the needs of Nebraska people, feels in asking the suffrage of the voters of this district that he will if nominated and elected, be able to render faithful and satisfactory service.

Mrs. E. A. Creighton left this morning for Chicago to visit relatives.
Geo. Warren and Sheriff O. D. Hedge went up to Hastings this morning.
Dr. C. W. Caldwell of Slater, Missouri, arrived Sunday to visit his brother Attorney E. G. Caldwell and wife.
Deputy Fire Warden N. G. McName of Lincoln was in the city Tuesday inspecting the business houses and public buildings.

Mr. and Mrs. Chas. Quigley who had been visiting her father, Tom Montgomery, returned to Council Bluffs, Iowa, Saturday.
Lowest interest, best option and terms to be had in the state. Money always ready. Call for me at State Bank.

IT'S KEITH NEVILLE

SCENES OF ACTIVITY AT HIS CAMPAIGN HEADQUARTERS IN NORTH PLATTE

LETTERS FROM OVER STATE

Favorite Candidate for Governor on the Democratic Side is Meeting the Voters, Making Speeches and is Becoming a Seasoned Campaigner.

North Platte, Neb., March 29.—There is not a busier place in Nebraska than the Neville Campaign Headquarters. Forsooth, there is not a busier man than Keith Neville—speaking, writing, hand-shaking, meeting old friends and making new ones—there is no moment of rest for

DEMOCRACY'S FAVORITE.

him when home, and he strikes a strenuous gait when on his speaking trips. But, he takes to it all like a duck to water, and it is freely said that he has already become a seasoned campaigner.

Like his distinguished father, the late Congressman Neville, he likes it. Not even the Mexican war excitement tended to divert the popular west Nebraska candidate from his determination to win the gubernatorial nomination April 18. He keeps right at it, by word and by letter, saying to the constant string of callers—stockmen, farmers, business men, fellow democrats and friendly republicans—that he is making a frank, clean, honorable campaign, backed by no special interests and shackled to no faction—firmly resolved if elected, to ENFORCE THE LAWS TO THE LETTER.

Speaking engagements will prevent Mr. Neville from meeting his old friend, W. J. Bryan, who comes here to speak for his brother, Charley, on the eve of next Tuesday's election. Mr. Neville is being supported here by those having divergent views on the license question. The result of the contest will therefore have no bearing upon his campaign.

It is plain that one quality of Keith Neville impresses everybody—frankness. He don't say one thing in the western part of the state and another thing in the eastern. He is firm, but not dictatorial, and is considerate of those who take issue with him.

In the stream of letters which come pouring in from democrats over the state, most of them warmly commend Mr. Neville's position on the issues of the day. Many of them begin, "I admire your frank and candid manner." Others, "Your statement shows that you have the courage to be governed." And still others, "I can use all the literature you will send me—because it rings true!" and hundreds say, "I was just waiting for a man like you." But most of his letters, from far and near, enthusiastically applaud his now famous declaration: "I am for WOODROW WILSON WITHOUT APOLOGY OR EXPLANATION."

Low Price Loses out Against Low Cost

PRICE may sell some things to farmers, but price alone is a poor argument compared with the records for low cost of operation made by Mogul kerosene engines.

Because they run on kerosene, Mogul engines produce farm power at the lowest possible cost. You know what gasoline costs. You know, too, what kerosene costs. Take the difference—multiply it by the number of gallons of fuel an engine will consume in five years, figuring one pint of fuel per horse power per hour.

At what price must you buy a gasoline engine to make it cost you as little as a Mogul does? Could you afford to accept a gasoline engine as a gift? See the dealer about this. He has the figures all worked out for you on all sizes of Mogul engines from 1 to 50 H. P.
