"I have always believed," he said, "that a druggist's first duty is to the health of his customers. I tell my people frankly that a safe, gentle, inexpensive laxative such as Rexall Orderlies, kept in the home, will pay the biggest dividends of any investment ever made. I recommend it as the best family laxative, because it is put up in tasty candy tablet form that appeals to men, women and children alike, and is as delightful and pleasing to take as it is healthful."
