**Kansas City Live Stock Letter**  
 Kansas City Stock Yards, May 8, 1916--Beef steers finished last week slightly lower than the opening of the week, though showing some strength Wednesday and thereafter. Butcher stuff closed a shade lower and stockers and feeders sold a quarter lower last days of last week. Receipts today are 11,000 cattle, market generally 10 lower, except that good killing yearlings are steady, and stockers and feeders are as good as the close last week. Some annual readings brought the top, \$2.43, and pulp fed Colorado steers, 1.90 to 1.400 pounds, sold at \$8.75 to \$9.29, including a string of 11 loads from the Sugar Company at Scottsbluff, 1406 lbs., at \$9.29, not so good by 19 cents as steers from the same people last Monday at \$9.35. Some short yearlings from the Panhandle brought \$9.00, from Mr. Caudle, Big Springs, who also had three loads of twos, 748 lbs., at \$8.60. Furneaux Bros., Trinity Mills, Texas, has two cars of yearlings in the quarantine division, 554 lbs., at \$7.85. Heavier quarantines sold at \$8.90 last week. Chicago overran its estimate on cattle today, and the market there is lower, but the liberal supplies around the market circle today are regarded as a temporary condition and expectation for tomorrow is for a light run and stronger prices. Indications point to heavy steers getting into the specialty class at an earlier date than usual this year. Last year no special advance was made on finished heavy steers till July. Hogs sold five lower today, on receipts of 14000 head. The opening was 5 to 10 lower, but the hog market has a way of gaining strength all through each daily session, and the close was the best point, top, \$9.85, bulk, \$9.55 to \$9.75. Receipts are generally larger than ever before, and while a big June run is assured, there is some speculation as to whether or not the customary break in prices will be effective this year, owing to the unusually strong demand on packers for all kinds of meats and product. Texas is producing more than twice as many hogs this year as last, which has its effect in supplying the Southern trade through Ft. Worth, but the South is a strong buyer this year. Receipts of sheep, lambs and goats today were 1200 head, of which 3000 were goats. Lambs and sheep sold strong, goats 10c high. Top Colorado fed lambs brought \$11.55, some 92-lb. lambs \$11.90, a very strong price; Arizona spring lambs 61 lbs., \$11.25, Arizona clipped ewes, 110 lbs., \$8.60, a record price.
