

**Political Pickups.**

The Democratic County Central Committee held a meeting in Red Cloud on Saturday afternoon, May 29, and among the many matters of business brought before these worthy gentlemen, was the holding of a Delegates Convention. It was put to a vote and the result was that the date set for this event is to be July 22, and the place, Red Cloud.

Owing to the number of friends of A. V. Ducker writing his name on the Democratic primary ballot for County Treasurer (no regular candidate having filed for this office), this popular citizen has decided to throw his hat into the ring with the other aspirants and announces that he will be pleased to receive the votes of his many friends at the regular election. Mr. Ducker needs no introduction to the voters, as he is well known and is a highly respected citizen and competent to assume the duties of that office, should he be successful in the race. He was also endorsed by the County Central Committee.

Among the names that appear on the Democratic ticket, is that of Keith Neville, candidate for Governor. He is a resident of North Platte and is one of the successful business men of that thriving little city, and has always been a loyal democrat and a booster for his town, state and party and deserves the support of everyone who professes to be a loyal democrat. He is not only a favorite among the men of his own party, but is also highly spoken of by his political opponents. The North Platte Tribune, a staunch republican paper that has weathered the storms of adversity, and also received their share of prosperity, for the last thirty-five years was one of the first to express his candidacy and devoted considerable space in their paper to express their opinion of Mr. Neville as a favorable candidate for this office. He is well spoken of by the ministers of the gospel and, the laymen alike, and no one seems to be able to find a spot or blemish in his character. He is a strong advocate of better roads, better government, in fact, is willing to lend a hand to help in any worthy cause. If you have never had the pleasure to know this man, or knowing of him, now is the opportune time to become better acquainted with. An X marked before his name on your ballot will show that you have done your share towards placing the right man in the governor's chair.

**Proclamation**

Tuesday, May 30th, is the day set aside by nation and state, to decorate the graves of the deceased soldiers of the Rebellion. During the past year many comrades have passed away, and are now located in the tentless camps, never to answer the bugle call on earth. The scarcity of those who took part in the defense of our country should remind the young that their time is passing just as rapidly. All loyal citizens should observe this day, therefore I, Robt. Damerell, Mayor of the city of Red Cloud, respectfully request that business in the city be suspended, that business men attend, and take part in the exercises, and that all loyal citizens, by their presence, show their respect and gratitude for services rendered by the soldiers of 1861.

**Get Together Campaign.**

The Congregational churches of Nebraska are sending out men to visit all of the churches in the state, and to hear reports on the work for the past five years. These men will meet with the Red Cloud church, on Friday, May 26th, beginning at 3 p. m. The afternoon session will be occupied with reports, conferences, and discussion of methods. At 7:30 there will be a rally of all members and friends of the church, for a social time and brief addresses by the visiting team, followed by a lunch, charge per plate 15c. A general invitation is given for the evening session.

**Doyle Purchases Pool Hall.**

Powell Bros., proprietors of the Tepee Smoke House, have sold this popular amusement parlor to Matt Doyle. Mr. Doyle was formerly a business man in this city, and his many friends will be pleased to see his name on the list of our business men. He is well liked by all who know him, and his patrons are assured of every courtesy while willing away the hours in his place of business. Powell Bros. came here from Neligh, about a year ago, and have made many friends, who will regret to see them leave our midst. As yet, they have not decided on any other business venture Matt will take charge Monday.

**Locates Mr. Chaffin.**

Sheriff Hedge, on last Sunday, located Tom Chaffin, age 58, who disappeared from his home at Blue Hill, on May 12th. He found him in a vacant building on a farm, about fourteen miles north of this city. He had remained in this place for nine days and had existed on parched corn. The cause of his strange conduct is attributed financial difficulties and to the fact that he had squandered a sum of money in dissipation which was needed to supply the necessities of life. The sheriff talked to him like a big brother, and after considerable pleading, induced him to return to his home at Blue Hill.
