When You Write A Check

You write your own receipt at the same time, because the payee cannot get the money until he has written his name across the back of your check, and the check is returned to you by the bank after being paid.

This is one of the many advantages of having a bank account in this strong bank, and our service costs you nothing. We do all the bookkeeping and furnish everything—all you have to do is to deposit your money, pay your bill by check and we render an accounting as often as you please.

If you call upon us, we shall be glad to talk the matter over with you and show you why a connection with this bank will prove advantageous to you.

Deposits in this Bank are protected by the Depositors' Guarantee Fund of the State of Nebraska.

Some time ago, Dr. E. E. Loller, inspector at the C. H. Miner Serum Company's plant west of the city, quietly left town, going to Ft. Dodge, Iowa, to spend his vacation. Government Printery Busy

Postmaster Letson has received a letter from the Third Ass't Postmaster General requesting to notify patrons that there will be temporary discontinuance of "office request" envelopes. This is due to unusually heavy requisitions and difficulty in obtaining a sufficient large force of operatives in the existing shortage of skilled labor. By "office request" is meant envelopes bearing return card with line left blank for the name of the party sending the letter. The department has on hand an ample supply of "unprinted" stamped envelopes and also envelopes can still be furnished bearing the return card of the purchaser. Announcement will be made later, just when the department will again be prepared to to furnish the "office request" envelopes.

Fashions

WE NO LONGER WEAR Clothes to protect our bodies from injury by the elements; nor from motives of modesty, except incidentally. The present stage of the evolution of clothes is the recognition of that individuality which marks us as human beings. Fashions, at any time, have myriad forms, varied designs, hundreds of shades and color combinations, any of which is "fashionable," provided it be appropriate to the individual.

Appropriate Clothes

such as are found in Our Store are Good Investments. Where is the man who does not experience renewed energy and cheerfulness, caused by the presence, on his back, of a perfect fitting coat, that is in harmony with his personality? When you want wearing apparel that's fashionable, also serviceable, and at moderate prices step into Our Store.
