### When You Write A Check

You write your own receipt at the same time, because the payee cannot get the money until he has written his name across the back of your check, and the check is returned to you by the bank after being paid.

This is one of the many advantages of having a bank account in this strong bank, and our service costs you nothing. We do all the bookkeeping and furnish everything—all you have to do is to deposit your money, pay your bill by check and we render an accounting as often as you please.

If you call upon us, we shall be glad to talk the matter over with you and show you why a connection with this bank will prove advantageous to you.

Deposits in this Bank are protected by the Depositors' Guarantee Fund of the State of Nebraska.

### Horse Thief Punished

In these days of automobiles an unusual crime was committed in Blue Hill on Wednesday evening of last week. Ruben Hall, Louis Smith and others came to Blue Hill to work in the harvest fields. Hall appeared to be a sort of a hobo and had walked into town. Not so with Smith, who had a good saddle horse with a saddle trimmed with silver. While Smith lay asleep near the town and his horse was grazing, Hall took a French leave with the horse and saddle and rode all night and arrived at Geneva at 10 a. m. the next morning. Smith complained to County Attorney Munday, and Sheriff Hedge and attorney went after the man and the evidence of his guilt. It was found that he had tried to sell the horse along the road. When confronted with these witnesses at Geneva, he admitted his guilt and was brought before Judge Ranney the next day and at the preliminary he stated that he wanted to go before the district court at once and plead guilty. He was taken to Hastings and sentenced the same afternoon and is now serving time at the state penitentiary. Hall is a young man, but did not seem to manifest any interest in his fate and would not give the officers any encouragement that he would try to do better in case they made any efforts in his behalf. He told them that he would rather serve his time than to join the state guards at Blue Hill.

### Death of Mrs. John Doyle

Mrs. John Doyle, one our highly respected pioneer citizens passed away at her home, in the north part of the city on Sunday morning, July 2. The cause of her death being heart failure. Mrs. Doyle was born in Ireland, August 11, 1834. When about 23 years of age, she came to this country. Her maiden name was Mary Riley. June 18, 1870, she was united in marriage to John Doyle, moving to this county in 1877. Nine children were born to this union, two having preceded her to the grave. She is survived by her husband, five sons, Lawrence, James, John, Miles, and Joseph and two daughters, Mrs. Mary McClelland and Mrs. Frank Slaby.

Funeral services were held from the Catholic church, Tuesday morning, Rev. Father Fitzgerald officiating.

### Much Interest Shown

A record-breaking crowd was in attendance at the big drawing contest on the corner of Fourth and Webster streets on last Saturday, July 1.

Larger crowds attend drawing each Saturday and people look forward to the coming of the event each week with much interest, as on each date at least three people will take a little easy money home with them.

Attorney F. J. Munday was master of ceremonies on that date and those receiving the cash were Mrs. A. D. Wonderly, \$5, Mrs. L. McFarland, \$3 and John Kasser, \$2.

There will be four cash prizes on next Saturday, July 8; the first \$10, second \$5, third \$3 and fourth \$2.

Geo. E. Hall, who has held a half interest in the Hall Garage, has sold his interest in that establishment to Don Fulton, who, together with Earl Hall, will conduct this garage. Both of these men are first class mechanics and good business men, and the new firm assures the public that in the future they will give their patrons the best possible service.

C. D. Robinson, wife and children and O. D. Hedge, wife and children left Monday via their Fords for Cheyenne, Wyoming, Colorado City, Colorado and Denver. Mrs. O. D. Hedge will visit in Colorado City and Mrs. C. D. Robinson will visit her parents at Denver while Messrs. Hedge and Robinson auto down in Southern Colorado. They expect to be gone three weeks.
