Kansas City Market

Kansas City Stock Yards, July 24, 1916--The break last week stopped cattle loading for today to a great extent, and receipts dropped to 10,000 head. There was a light run at all the markets, and prices opened strong, unevenly higher, some sales called 25 cents up.

BEEF CATTLE.

Top steers sold at \$9.90, not up to the limit of the market by about 50 cents. Choice pulp steers sold up to \$9.35, same price the same cattle brought a week ago. Kansas wintered steers are scarce, but are quotable up to \$8.50. Some plain 1100 lb. steers sold at \$7.45, out of the same pasture that produced steers at \$7.50 last Monday, showing that nearly all the decline on that kind late last week was regained today. Oklahoma cattle were plentiful today and the movement from that section is now on for good balance of the season. Best Osage wintered steers sold at \$7.30 to \$8.25, good grassers \$6.50 to \$7.50, light grass steers \$6.00 to \$6.40. Quarantine steers were all from Oklahoma best at \$7.55. 10 cars of Wilson & Selfridge steers from Okmulgee, 1292 lbs., at \$7.50, light steers \$5.75 to \$6.50, cows \$4.50 to \$5.40, 39 cars in all. Best cows in native division sold at \$7.50, good sows \$6 to \$6.75, veals up to \$11.

STOCKERS AND FEEDERS

The low point of the year was touched late last week, sales 50 cents to \$1.00 below the opening of the week. A good many buyers appeared today, and the run was far below expectations, prices stiffened 10 to 20 cents. The good cattle sold at \$6.50 to \$7.50, useful cattle at \$5.75 to \$6.25.

HOGS

Receipts were moderate last week, but packers were bearish and the market closed at the low spot. Today the run is 8000 head, market 10c higher. Quality is good, and weights are heavier than heretofore, 206 lbs. last week, 10 pounds heavier than same week last year. Top price today is \$9.80, 15 cents above last Friday and bulk of sales \$9.50 to \$9.70. In spite of the depression last week, the situation is regarded as strong, and no further break is expected at this place.

SHEEP AND LAMBS

The market was 10 cents higher today following weakness every day last week. Eight cars of Idaho lambs topped the market at \$9.90, 72 pounds average, natives sold at \$9.50 to \$9.75, yearlings worth up to \$8, wethers \$7.50, ewes \$7. Receipts are running very light, 4700 here today, and the supply promises to run light for a month to come. Feeding lambs sell up to \$9, breeders \$7.50 to \$8, light young ewes today at \$8.50.

The numbers given are 145,000 autos distributed among 2,250,000 people. The present registration of automobiles in the Secretary of State's office shows that the 1,250,000 people of Nebraska are owners of more than 81,000 or one automobile for every fifteen people in other words, one auto for every three families in the state.
