THE ONLY DEMOCRATIC PAPER IN WEBSTER COUNTY

This being the day set aside for giving thanks for all blessings that has been bestowed upon us by our Maker, it is the duty of every one to offer up thanks to Him.

As a community we have much to feel thankful for, in the way of a bountiful harvest as a reward for our season of toil.

As a nation, that we are at peace with all the world.

On the north we have Canada, who has given her sons and fathers to fight for her ruler. On the south we have Mexico, in the midst of a revolution. Its roving bands murdering their fellow citizens and destroying their property. Across the ocean the entire continent is at war. Misery, suffering and death where ever you go.

In the good old land of the free we have plenty, and many of us a little spare, to relieve the sufferings and wants of our fellow citizens less fortunate in life's battles.

We have our fathers, brothers and sweethearts at our fireside and not on the battle field or in a soldier's grave. None of us have received so little that we have not some thing to feel thankful for.

Let us hope that for many of these days to come that we may find ourselves enjoying a like blessing.

Thanksgiving Dinner

Tomorrow is Thanksgiving Day. Think of the turkey, cranberry sauce, mince pie—

What? You say you "dread Thanksgiving dinner" owing to stomach trouble.

Can't enjoy Thanksgiving dinner! That is too bad! There is a cause for your stomach trouble.

Some of the nerves leading to the stomach are being pinched, owing to a subluxation of vertebrae.

Have the cause removed by taking Chiropractic Adjustments, then "Be Thankful" when Thanksgiving Day arrives.

The Best Christmas Present

That is what many write us, who make a gift of a Youth's Companion subscription to a friend or relative. Thousands can recall the first Christmas that The Companion came into the house, and how it was passed from one to another as a most precious thing, and the beauty of it was that every week it was looked for, and pounced upon and devoured, and everything else put aside for it. You can bring that same sense of delight into any home by sending the Youth's Companion to it for a year—\$2.00—only four cents a week.

The Companion Home Calendar goes to every new subscriber and to every one who makes a gift subscription.

You can, if you wish, take advantage of The Companion's special arrangement with McCall's Magazine, and by sending \$2.10 get both publications for 1917. This makes two Christmas Presents for the price of one. Every one taking advantage of this offer has the choice of a free Dress Pattern sent by McCall's Magazine sent on receipt of a 2-cent stamp.
