## NO ONE EXCUSED FROM REGISTERING

All of Specified Age Must Respond  
on June 5 to Call of  
Nation.

### QUERIES TO BE ANSWERED

Government Has Issued Circulars  
Making It Easier for Those Who  
Register to Respond to Inter-  
rogations That Will  
Be Made.

There is but one answer to every  
question asked regarding registration,  
and it is this:

"Every man between the ages of  
twenty-one and thirty years, inclusive,  
whether native born, an alien, or even  
an alien enemy, must register June 5.  
This applies also to invalids and per-  
sons who are ill. A man is thirty until  
his thirty-first birthday anniversary."  
The government has adopted a plan  
to facilitate and simplify the filling in  
of conscription registration cards June  
5. Circulars containing the twelve  
questions to be asked and advice as to  
how they should be answered have  
been prepared for distribution.

Answers to the Questions.  
The circular, which bears the head-  
ing, "How to Answer Questions on  
Registration Cards," reads as follows:  
"Questions will be asked for you to  
answer in the order in which they ap-  
pear on this paper. These questions  
are set out below with detailed infor-  
mation to help you answer them."  
"Do not write on, mark or otherwise  
mutilate these instructions. Do not re-  
move them. They should be carefully  
read so that you will have your an-  
swers ready when you go before the  
registrar."

"All answers will be written on the  
registration card in ink by the regis-  
trar, who should be careful to spell all  
names correctly and to write legibly."  
"1. Name in full. Age in years."  
"This means all your names spelled  
out in full."  
"State your age today in years only.  
Disregard additional months or days.  
Be prepared to say 'nineteen' or  
'twenty-five,' not 'nineteen years  
three months' or the like."  
"2. Home address."  
"This means the place where you  
have your permanent home, not the  
place where you work. Be prepared to  
give the address in this way: '232  
Main street, Chicago, Cook county, Il-  
linois'; that is, give number and name  
of street first, then town, then county  
and state."

Have Birthday Date Ready.  
"Date of birth."  
"Write your birthday (month, day  
and year) on a piece of paper before  
going to the registrar and give the pa-  
per to him the first thing. Example:  
'August 5, 1894.'"  
"If you do not remember the year,  
start to answer as you would if some-  
one asked you your birthday, as 'Au-  
gust 5.' Then say, 'on my birthday  
this year I will be (or was) — years  
old.' The registrar will then fill in  
the year of birth. Many people do not  
carry in mind the year they were  
born. This may be obtained by the  
registrar by subtracting the age in  
years on this year's birthday from  
1917."

"4. Are you (1) a natural born citi-  
zen; (2) a naturalized citizen; (3) an  
alien; (4) or have you declared your  
intention to become a citizen (specify  
which)?"  
"(1) If you were born in the United  
States, including Alaska and Hawaii,  
you are a natural born citizen, no mat-  
ter what may have been the citizen-  
ship or nationality of your parents. If  
you were born in Porto Rico you are a  
citizen of the United States, unless  
you were born of alien parentage. If  
you were born abroad, you are still a  
citizen of the United States, if your  
father was a citizen of the United  
States at the time you were born, un-  
less you have expatriated yourself."

"(2) You are a naturalized citizen if  
you have completed your naturaliza-  
tion; that is, if you have 'taken final  
papers.' But you are not a citizen if  
you have only declared your intention  
to become a citizen (that is, if you  
have only 'taken out first papers'); in  
the latter case you are only a 'declar-  
ant.'"  
"You are also a naturalized citizen  
if, although foreign born, your father  
or surviving parent became fully nat-  
uralized while you were under twenty-  
one years of age, and if you came to  
the United States under twenty-one."

"(3) You are a declarant if, although  
a citizen or subject of some foreign  
country, you have declared on oath be-  
fore a naturalization court your inten-  
tion to become a citizen of the United  
States. Receipt from the clerk of the  
court of the certified copy of such  
declaration is often called 'taking out  
first papers.' You are not a declarant  
if your first paper was taken out after  
September 26, 1906, and is more than  
seven years old."

"(4) You are an alien if you do not  
fall within one of the three classes  
above mentioned."

5. Where were you born?  
"First name the town, then the state,  
then the country, as 'Columbus, O.,'  
'Vienna, Austria,' 'Paris, France,'  
'Sofia, Bulgaria.'"

"6. If not a citizen, of what country  
are you a citizen or subject?"  
"This need be answered only by  
aliens and declarants. Remember that  
a 'declarant' is not yet a citizen of

the United States. If an alien or de-  
clarant, state the name of your coun-  
try, as 'France,' 'Japan,' 'China,' etc."

What is Your Job Right Now?  
"7. What is your present trade, oc-  
cupation or office?"

"This does not ask what you once  
did, nor what you have done most of  
the time, nor what you are best fitted  
to do. It asks what your job is right  
now. State briefly, as farmer, miner,  
student, laborer (on farm, in rolling  
mill, in automobile, wagon or other fac-  
tory, etc. If you hold an office under  
state or federal government, name the  
office you hold."

"If you are in one of the following  
offices or employments, use one of the  
names hereafter mentioned: 'Custom  
house clerk,' 'employed in the trans-  
mission of the mails,' or 'employed in an  
armory, arsenal or navy yard,' 'mar-  
iner actually employed in the sea ser-  
vice of citizen or merchant within the  
United States.'"

"8. By whom employed? Where em-  
ployed?"

"If you are working for an individ-  
ual, firm, corporation or association  
state its name. If in business, trade,  
profession or employment for yourself,  
so state. If you are an officer of the  
state or federal government say whether  
your office is under the United  
States, the state, the county or a mu-  
nicipality. In answer to the question  
as to where you are employed give the  
town, county and state where you  
work."

"9. Have you a father, mother, wife,  
child under twelve or a sister or brother  
under twelve solely dependent upon  
you for support (specify which):"

"Consider your answer thoughtfully.  
If it is true that there is another  
mouth than your own which you alone  
have a duty to feed do not let your  
military ardor interfere with the wish  
of the nation to reduce war's misery to  
a minimum. On the other hand, unless  
the person you have in mind is solely  
dependent on you do not hide behind  
petitions or children."

"10. Married or single (which)?  
Race (specify which)?"

"This does not ask whether you  
were once married, but whether you  
are married now. In answer to the  
question as to your race state briefly  
whether Caucasian, Mongolian, negro,  
Malayan or Indian."

Must State Past Military Service.

"11. What military service have you  
had? Rank? Branch? Years? Na-  
tion or state?"

"No matter what country you  
served, you must give complete infor-  
mation. In answering these questions  
first name your rank, using one of the  
following words: 'Commissioned offi-  
cer,' 'noncommissioned officer,' 'priv-  
ate.' Next, state branch in which you  
served in one of the following words:  
'infantry,' 'cavalry,' 'artillery,' 'med-  
ical,' 'signal,' 'aviation,' 'supply,' 'ma-  
rine,' 'navy.' Next, state the number  
of years' service, not counting time  
spent in the reserve. Finally, name  
the nation or state you served. If you  
served under the United States or one  
of the states of the United States,  
name your service in one of the fol-  
lowing terms: 'National Guard' (of  
such and such a state), 'militia' (of  
such and such a state), 'volunteers  
of United States' or 'regular army (navy)  
of United States.'"

"12. Do you claim exemption from  
draft? Specify grounds."  
"Because you claim exemption from  
draft, it by no means follows that you  
are exempt. For the information of the  
war department you should make a  
claim now if you intend to prosecute  
it. Some persons will be exempted on  
account of their occupations or offices,  
some on account of the fact that they  
have relatives dependent upon them  
for support. Your answer touching  
these things will be important in sup-  
porting the claim you now intend to  
make in your answer to the present  
questions. Be sure, therefore, that  
the grounds you now state are in con-  
formity with your answers to ques-  
tions 7 and 8."

"In stating grounds you claim as ex-  
empting you use one of the following  
terms: If you claim to be an execu-  
tive, legislative or judicial officer of  
the state or nation, name your office  
and say whether it is an office of the  
state or nation. If you claim to be a  
member of a religious sect whose creed  
forbids its members to participate in  
war in any form, simply name the sect.  
If you are employed in the transmis-  
sion of the United States mails or as  
an artificer or workman in an armory,  
arsenal or navy yard of the United  
States, or if you are a mariner em-  
ployed in the sea service of any citi-  
zen or merchant within the United  
States, so state. If you are a felon or  
otherwise morally deficient and desire  
to claim exemption on that ground,  
state your ground briefly. If you  
claim physical disability, state that  
briefly. If you claim exemption on  
any other ground, state your ground  
briefly."

Only One Day to Register.  
The war department wishes to im-  
press upon the people that there is  
only one day for registration. All  
males between the designated ages  
must register on the day set. The fact  
that five days were allowed for the  
placing of the necessary blank forms  
in the hands of registrars appears to  
have misled some headline writers.  
One day only—the day fixed in the  
president's proclamation—will be de-  
voted to registration.

States in Rivalry for Honor.  
Not only has the individual citizenry  
of the country made a remarkable re-  
sponse to the registration call, but the  
states through their official heads have  
indicated such zeal that there is great  
rivalry among some of the common-  
wealths for the honor of making the  
first complete registration returns.

## WOMEN! IT IS MAGIC! LIFT OUT ANY CORN

Apply a few drops then lift  
corns or calluses off with  
fingers—no pain.

Just think! You can lift  
off any corn or callus  
without pain or soreness.  
A Cincinnati man discov-  
ered this ether compound  
and named it freezone. Any  
druggist will sell a tiny bot-  
tle of freezone, like here  
shown, for very little cost.  
You apply a few drops di-  
rectly upon a tender corn  
or callus. Instantly the  
soreness disappears, then  
shortly you will find the  
corn or callus so loose that  
you can lift it right off.  
Freezone is wonderful. It  
dries instantly. It doesn't  
eat away the corn or cal-  
lus, but shrivels it up with-  
out even irritating the sur-  
rounding skin.

Hard, soft or corns be-  
tween the toes, as well as  
painful calluses, lift right  
off. There is no pain be-  
fore or afterwards. If your druggist  
hasn't freezone, tell him to order a  
small bottle for you from his whole-  
sale drug house.—adv.

we think some of 'em got stuck in his

## SAXON

Strength—Economy—Service

### This Car Is Worthy of Your Confidence

You can buy a Saxon car secure in the knowl-  
edge that you are getting full value in tried  
and proven motor car mechanism.

Saxon cars are built to win the confidence of  
their owner—and they do. But first they  
must win the confidence of their builders—  
and this they could not if they embodied any  
feature or any part of unproved worth.

So no Saxon principle of construction has ever  
been changed until a better principle has fully  
proved its greater value. And so no Saxon car  
has ever embodied features of doubtful worth.

Saxon cars have simply been in a state of  
transition, passing thru phase after phase of  
gradual improvement without a break in pro-  
duction. They are refined from time to time,  
not radically changed.

They are in the fullest sense of the phrase, products of  
evolution. They are developed rather than built.

Isn't that the kind of a car you want—one that you  
can feel confident is right before you put down your  
good money for it? If it is, then you want a Saxon.

There is still some good territory open for  
Saxon Dealers. For information you should  
apply to
