

## Winter Tourist Fares Now Available

The entire scheme of Southern tourist fares becomes effective this year October 1st. All resorts and principal cities of the Gulf Coast and the Southeast are included; Florida fares include circuitous routes. With its great military cantonments, the Southland, during the coming winter, will be a most interesting tourist region.

**HOMESEEKERS' FARES SOUTH.** On the first and third Tuesday of each month, are available to many Southern destinations, Texas, Florida, etc.

**TO CALIFORNIA:** The usual winter tourist fares via all routes. The Burlington can ticket you either via Denver, Scenic Colorado and Salt Lake, in through tourist sleeper service, or via Denver, the Santa Fe "Grand Canyon" line, also for the grand Coast tour including the Northwest.

Beautiful "Southland" publications, including the Burlington's Winter Tourist leaflet. With its main trunk lines to the southeast, either via Denver, Kansas City, St. Louis or Chicago, the Burlington is essentially the route for southern travel.

### Why Mail Order Houses Flourish

Listen to what Herman Rosenfield, Advertising Manager of Sears, Roebuck & Company, recently told the members of the American Ad Club at a convention. "We have a bureau whose duty it is to read each week the country newspapers from all over the country. There is not a paper of any consequence in our trade territory that our bureau does not get. This bureau looks over these papers and when we find a town where the merchants are not advertising in the local papers we immediately flood that territory with our literature. It always brings results far in excess of the same effort put forth in territory where the local merchants use their local papers." Could we find a stronger argument as to the need of advertising by the local merchant?—Ex.
