Sleepy Hollow Gowns

Garments of Unusual Merit

Here are garments that will keep you snug and warm on the coldest winter nights. They are made of selected flannels, noted for warmth.

But "Sleepy Hollow" Gowns give you more than warmth—they give you solid comfort.

There is an abundance of material in the sleeves—ample room in the armholes—plenty of room across the bust and through the shoulders—and just the right length in the skirt of the gown.

You will never know how different these garments are until you make comparison—then you will see the superiority of "Sleepy Hollow" gowns at a glance.

Ask to see them the next time you drop into the store. **\$1 to \$2 per garment**

MOTHER

—that boy "down at camp" or possibly "somewhere on the Atlantic" would appreciate a "dandy likeness of mother" now, as never before.

Then, too, "Christmas is coming" and you can have your Christmas pictures made from the same negatives and have plenty of time to get them ready.

STEVENS BROS., of course, is the name on the finished work that distinguishes good pictures from the ordinary.
