Dress Up for Thanksgiving

Both Suit and Overcoat for \$35 to \$50

How Can They Give You Both at \$30 to \$50

The wonder grows each time you wear the coat. It's hard to see how you could have got both the suit and the coat for what you've sometimes paid for one alone.

If there's the slightest streak of thrift in your make-up you'll see what we can show you in Clothcraft and Kuppenheimer Clothes at \$15 to \$27.50. Good-looking, long-wearing garments at these prices seem almost like a miracle in value-giving. Come in and see.

 Evangelist Hibbs of Fort Scott, Kas., will speak at the Mission Sunday afternoon.
 Friday evening at close of meeting the Indian Creek Farmers' Union will hold their monthly meeting.
 Albert and Ethel Delph accepted Christ Sunday evening.
 Rev. Elmer Ayers preached last Sunday afternoon at the Mission. Rev. Hibbs also made a short address.
 The pastor of the Christian church binds none by his sermons or by his published articles or lectures but himself, and is in no sense an official representative of any ecclesiastical body. The church is not responsible for the utterances of the preacher and is bound to heed what the preacher says only as far as it agrees with reason and Revelation. Christ alone is Master and Sovereign and can bind the church. It is the duty of all people to search the Scripture and when any statement is found contrary to the express teaching of the Bible, reject it, but if it agrees therewith it is the duty of all people to accept it.
 The Church of Christ is a royal institution and includes all people who make Christ their Sovereign and Lord.
 Christianity is stranger than fiction, but when once discovered and brought to light will transform the world.
 Our greatest need in the world is a Christian consciousness, and the greatest hindrance to union and piety is a sectarian consciousness. Will those who believe in Christ and are honestly trying to conform to the will of God help us remove this awful hindrance to Christianity.
