Buy Stamps and Save a Soldier

Refuse to Buy Them and Let Brave Men Die

While you are at home tonight beside the warm fire American boys over there in France will be out in the cold in the trenches. Tonight while you are in your warm, snug bed your own son or your neighbor's son 'over there' may be dodging death from shrapnel. The boys in the trenches have loaned their lives for you; won't you loan your money for them—loan it at 4 per cent compound interest, the highest rate the government has ever paid. Buy U. S. War Savings Stamps and you save the lives of American soldiers; refuse to buy and you let brave men die. The government must have money now. The decision is soon to be made for or against America. Which way, depend upon you. The more money loaned the government the sooner the war will end and the less American blood will be shed. You can buy War Savings Stamps in 35 cent sizes, known as "Thrift Stamps" and \$5 sizes, known as "War Savings Certificate Stamps."

Boys at Camp Funston Receive More Equipment

This week the company has been drilling every morning and has been putting in the time at extended order drill and part of the time they have been drilling with the battalion and regimental drill. Monday afternoon a new order came out and now everyone goes to school every afternoon except Wednesday and Saturday. The school consists of several classes viz: Field and Fortification, Bayonet, Snipers, Automatic Rifle and Hand Grenades. Wednesday evening the regiment had singing over at the Y. M. C. A. and twenty five boys of this company had to attend the school. Wednesday afternoon at 4:30 the company went on duty guarding the regiments grounds and quarters. The editor has been on fire guard duty all week. I guard the barracks half of the night and sleep the balance and do not have to drill in the day time. Wednesday and Thursday we had ideal spring weather and everyone went around in their shirt sleeves. Sunday afternoon we were issued more equipment consisting of bayonets etc., and for the next two weeks we will spend the time in the trenches drilling at skirmish lines and attacking.

The Nebraska boys who are stationed here are to have a recreational hall. The building is to be 60 x 129 and its auditorium will seat 1000 people. The building is to cost \$90,000 and it is a gift from the people of Nebraska and it will certainly be appreciated by the Cornhusker boys here. Ex-President Taft will arrive here Monday to spend a couple of days lecturing to the soldiers and giving us the ones over. Art McArthur.

"A Pound of Substitute"

All patriotic citizens of the county are requested to come to the I. O. O. F. hall on Saturday, February 16th. This day has been designated as Women's Council of Defense day. The object of the day and meeting is to enroll all patriotic women of this county in the Council of Defense, to raise funds with which to pay our state apportionment and carry on the defense work of the county. The slogan, "A Hen or the Price of a Hen" has been interfered with to considerable extent by an order recently issued that no hens are to be sold or shipped out of the state and as the committee is anxious to assist the Government in every way possible they request the women of the county to bring eggs or a donation equal to the price of a hen. There will be a program Saturday afternoon commencing at two o'clock and a demonstration of "The Pound of Substitute" by Miss Ethel Richert, one of the Government food demonstrators. In order that the men may not feel slighted arrangements have been made whereby they may "do their bit" by purchasing a tag.

Commissioners Proceedings

The board of county commissioners met Tuesday. The most important matter brought before them was the opening of bids for the construction of county bridges. Only two firms had sent in bids for this work, they being the Elkhart Bridge and Iron company and the Omaha Structural Steel Bridge company. Representatives of the Omaha concern were present. The commissioners decided to postpone action in the matter until next Friday. The annual report of Road Overseers Andrew Guy and Chris Guy were approved by the board. L. E. Rawlings was appointed road overseer of District 23, Chris Guy resigning. Rawlings' bond was approved. S. F. Greene was appointed deputy assessor in Glenwood precinct, H. A. Stumpfenhorst resigning. The board adjourned to Feb. 15.

Nancy Jane Turner Passes to Her Reward

The death of Mrs. Nancy Jane Turner which occurred at the home of her son south of the city early Friday morning marked the passing of one of the most highly respected and oldest citizens of this community, she having almost reached the age of seventy-two years.

Several months ago the aged lady suffered a paralytic stroke which deprived her of the power of speech, but in no way affected her mind, ultimately causing her death. Funeral services were conducted on Sunday afternoon at two o'clock by Rev. J. L. Beebe. Interment was made in the city cemetery.

Nancy Jane Cutright was born in Ross county, Ohio, March 22, 1846, and grew to womanhood at that place. She was married to Lewis Bohrer at Chillicothe, Missouri in 1861 and to this union was born one son, Wm. Bohrer of this city. Her husband entered the army and died three months after entering the service of his country. She, with her son, moved to Nodaway county, Missouri, and in the year of 1866 at Quitman, Nodaway county, Missouri, she married Richard Turner. To this union were born eight children. In 1869 she, with her husband, united with the Universalist church. In 1874 they homesteaded in Smith county, Kansas and in 1877 came to Nebraska, where she has since made her home. In 1887 Death entered their home and took from them an infant daughter and in 1910 the husband passed to the Great Beyond.

She leaves to mourn her demise five sons and three daughters, who are: W. T. Bohrer, Charles Turner, Mrs. Ben Pegg, Albert Turner, Mrs. Guy Day and Grant Turner, all of this city, Mrs. Sam Johnson of Inavaleand John Turner of Hastings, besides twenty-three grandchildren and ten great-grandchildren. —Commercial Advertiser.

Holds Business Meeting

A meeting of the directors of the Chamber of Commerce was held at their quarters on Wednesday morning at which time extensive plans were made for the coming year. A committee was appointed to adopt plans for a Credit Clearance Association to be handled through the Chamber of Commerce. Plans for the formation of a Labor Bureau were discussed and action will be taken in this matter in the near future. This will bring those desiring employment in communication with those wanting reliable help. The problems of trade extension, better roads, street improvement and civic pride and the extensive advertising of the city's resources were thrashed out by this body of gentlemen and we expect to see considerable work done along these lines during the coming spring and summer. A big drive will be made for an increase in membership in the Chamber of Commerce.

Kizer & Son, If You Please

The ever increasing demand for the product and services of Hon. S. B. Kizer, veteran woodworker of this city, recently compelled him to secure the services of his son, Clarence, an experienced carpenter and cabinet maker. The building which for a number of years served as office and workroom for "Sam" proved to be of inadequate dimensions to accommodate the growth of business, therefore they recently built an addition to the old business block and installed some modern machinery. The original ideas and artistic designs of the senior member of the firm combined with the skill and energy of the junior member will enable them to successfully compete with any firm, in the same line of work, in this vicinity. Lowest rates, best terms and option and in any amount. No inspection expense, and absolutely no delay. Six plans to choose from. Sole agent for Trevett, Mattis & Baker. J. H. Bailey.

To Accomplish Good Work

You Must Have Proper Equipment
The Parker Lucky Curve Self Filling Fountain Pen
is unequalled. Our new stock contains **THE PEN YOU NEED** at **\$2.50 to \$6.00**
Lower Priced Self Filling Pens at **\$1.25, \$1.50 and \$2.00**

Make Sure Your Childs EYES ARE RIGHT and Able to Sustain the Strain Imposed by School Work We Make EXAMINATIONS FREE

Miss Mayo has presented Polly Anna count y wide and is considered unequalled by those who have heard her. YOU come and hear her and learn how to play the "Glad Game."

ADMISSION - - 25c and 35c

SEE AND TRY A DeLaval Cream Separator

We do not believe that a farmer who knows anything about farm machinery could be induced to buy any separator other than a DeLaval after he had seen the latest improved DeLaval machine and had given it a trial.

It is a fact that 99 per cent of all separator buyers who do SEE AND TRY A DELAVAL machine before buying purchase the DeLaval and will have no other. The 1 per cent who do not buy the DeLaval are those who allow themselves to be influenced by some other consideration besides real genuine separator merit.

If you are thinking about buying a cream separator we will consider it a favor if you will permit us to set up a DeLaval for you on your own place and have you give it a fair trial.

You will be under no obligation to buy the machine if it does not make good all our claims, and should you decide to keep it and cannot conveniently pay cash, you may do so on such easy terms that it will actually save its costs while you are paying for it.

Geo. W. Trine

Union Meeting Sunday Night

10:00 a. m. Sunday School, Mrs. C. J. Pope, Supt.

Men in Military Service at Camps and Cantonments May Write for Newspapers
Persons in military service are permitted under certain restrictions, to write for publication in newspapers and magazines. They may not receive payment for material furnished by them. All letters containing matter for publication written by men in service must be sent through officers, who will delete all references capable of furnishing important information to the enemy.
Regular newspaper correspondents not in military service are not required to submit copy for censorship, being guided by the request for secrecy published by the Committee on Public Information. If these are ignored the privileges of the camp may be withdrawn in the discretion of the camp commander. None of these rules apply to troops in France, where the commanding general of the Expeditionary Forces will establish such regulations as are necessary.
