Save Your Money—

The chief reason for saving your money is that you will have the MONEY, with INTEREST later on when you may need it. It is also a step toward financial independence and success.

It makes you a better citizen. The person with a bank account is looked upon as one who is thrifty and dependable.

Now is the time to begin saving. Open a bank account here, today.

Muster is Held Once a Month at the Camp

Camp Funston, Mar. 3, 1918.

DEAR FRIENDS:
Monday morning the company started to drill again, after spending two weeks at the Division School. In the afternoon the non-commissioned officers attended a school of instruction, while the rest of the company put in the time at sighting and estimating distance of targets. Wednesday evening companies F and G were on guard. Wednesday night it rained most all night. That evening we signed the pay roll and Thursday morning held muster. Muster is held once a month and it is the day that every soldier has to look his best. After answering at muster we had barrack and bed inspection. Major Fisher, Adjutant Milliken and our captain and Lieutenants were the inspectors.

Wednesday and Friday four troop trains left here for other camps and the trains were the longest we ever saw.

Commencing Friday morning we now get up at 5:45 and go out to drill at 7:15, and have retreat at 6:00 in the evening. Saturday morning we all put on our O. D. uniforms and dress shoes and the whole regiment and the band marched out to the drill ground where we pulled off a battalion and regiment review before Colonel Sills and Lieutenant Colonel Taylor and it certainly was fine to see us all marching and keeping step to music by the band and pass in review before the Colonel. We were informed that we will have this ceremony every Saturday from now on. We then marched back to the barracks and had our barrack and bed inspection, then we were off for the rest of the day.

Sunday at 4:30 this company will go on guard.

The first Saturday and Sunday of each month women are allowed in the camp to visit their relatives and friends and there were lots of people here those two days.

A. B. McARTHUR

City Council Special Session

On Tuesday evening, March 5th, the Mayor called a special meeting to consider the Paving Assessment, but the meeting was adjourned to March 14th at 10 o'clock.

The Council was then called together in regular session, with all members present. Minutes of February meeting were read and approved. The report of S. R. Fiorance was read and placed on file.

Geo. Warren appeared before the council, and the action taken at the last meeting to discontinue the phones at the power house and city superintendents office, was reconsidered, and the phones will be left in two places this month.

C. R. Lewis' request for a raise in salary for his services on the street, was left with the mayor to decide.

A letter was then read from the State Health Department stating that none of the water in and around Red Cloud seemed to stand the test, except the Kizer well on 5th Avenue.

Following are the judges of election which were appointed:

1st Ward—S. A. Fincher, Henry C. Wolfe and Geo. Harris.

2nd Ward—J. J. Garber, D. B. Burden and J. N. Pope.

Clerks—1st ward, F. A. Turnure and H. S. Foe. 2nd ward, G. W. Hutchison and W. C. Gilham.

Superintendent Woodworth's office was designated at the voting place in the 1st ward and the Fireman's Hall in the 2nd ward.

After allowing the claims the meeting was adjourned.

Farm Loans

Lowest rates, best terms and option in any amount. No inspection expense, and absolutely no delay. Six plans to choose from. Sole agent for Trevett, Mattis & Baker.

J. M. Bailey.

County's Last Quota Left For Fort Riley Mar. 5th

The county's last quota of men listed under the first draft left Tuesday morning for the training camp at Fort Riley, Kansas. They were escorted to the depot by the band, under the leadership of Prof. Botz, where a short program was observed. Short addresses were made by Attorney Caldwell, F. A. Good of Cowles, J. L. Beebe and Mayor Damerell.

The following men composed the quota:

Henry Schroeder	J. M. Worman
Carl Heitz	Wm. F. Rusehke
Orville Ritchey	Lloyd E. Schultz
C. R. Bangert	Andrew E. Watson
Walter L. Good	Andrew J. Corner
Jesse Garretson	Vertus Helton
Wm. G. Storey	Hallie A. Robinson

Laid to Rest

Mr. John Person, who for the past several weeks has been confined to his home, suffering from leakage of the heart, passed to his eternal reward on Sunday afternoon.

Mr. Person has for a number of years served as mail carrier on route four, but about three months ago was compelled to abandon his duties.

The deceased was born in Harmony, New Jersey, November 21, 1861. The family moved to Kansas in 1880. He came to Red Cloud about 25 years ago and since that time has made this place his home. He was united in marriage to Sarah Conover September 23, 1897. He is survived by his wife, two sisters, Miss Laura Person and Mrs. D. D. Crowell of Galena, Kansas, and two brothers, Harry of Summerville, Missouri, and Frank of this city.

Funeral services were conducted from his late home on Tuesday afternoon at 2:00 o'clock, by Rev. F. M. Druliner. Interment was made in the city cemetery.

Butler Boys in Quarantine

Camp Hancock, Feb. 24, 1918.

DEAR FOLKS AT HOME:

Well, Daddie, we received your letter all O. K., but did not get a box, but suppose we will soon. Do not know whether this letter will reach you or not as this entire section of motor machinery is in quarantine. They found a case of smallpox, the fellow being on the aviation field Saturday but they would not say what company, so all were quarantined until his company is located. I will throw this over the line and maybe it will reach you.

We had our pictures taken but they are rotten. We will have them taken again, also a certificate of service, our street and the entire company. I walked up the street the other day and ran across two boys from Blue Hill that had been transferred from Camp Cody. I sure was glad to see them. I then went over to the mail distributing station and saw on the bulletin board that Verne had an un-called for package, so I got it and it was your box. Every thing was all right and many thanks dad, as we will now have a smoke. Come again.

This is a lovely day, makes me want to go fishing, as it is most too warm to be comfortable, but would rather it would be too hot than too cold.

We were called to take our last examination recently, and the doctor said to Verne, "kid you are all broke out." Verne said, "Oh, it's just the wool underwear." The doctor laughed and said, "Son, you had better go to the hospital." So Verne is in the Base hospital, sick with German measles. Just came from the hospital and will finish my letter. Verne is not a bit sick, so don't worry about him. I will send him your letters.

We are out of quarantine now. I was on duty today when they came in and said that they were having trouble over at another cook shack and for me to come over and help them out, so now I am mess sergeant.

I am afraid Verne and I will not stay together when he comes back, but will try and get him transferred. Bet

"TALK WITH US ABOUT LUMBER"

Chief Ads Pay You

SEE AND TRY A DeLaval Cream Separator

We do not believe that a farmer who knows anything about farm machinery could be induced to buy any separator other than a DeLaval after he had seen the latest improved DeLaval machine and had given it a trial.

It is a fact that 99 per cent of all separator buyers who do SEE AND TRY A DELAVAL machine before buying purchase the DeLaval and will have no other. The 1 per cent who do not buy the DeLaval are those who allow themselves to be influenced by some other consideration besides real genuine separator merit.

If you are thinking about buying a cream separator we will consider it a favor if you will permit us to set up a DeLaval for you on your own place and have you give it a fair trial.

You will be under no obligation to buy the machine if it does not make good all our claims, and should you decide to keep it and cannot conveniently pay cash, you may do so on such easy terms that it will actually save its costs while you are paying for it.
