me interesting books for the long

A Daughter of the Land," by Gene Stretton Porter, gives an illuminating bicory of the struggles of an American woman for land and the right to collect her own life. The story gives an nkling, if you read between the lines, of the reason for the biguess of on American ideals.

"heerfol, by Request," by Edna Fe er.-Here you will find the "Gay old log," the "woman who tried to be " "Sophia, as she might have ber " and many other people you ku v very well indeed. They are all

or att foods, except possibly protein Br or Barton. A young man, tired of

"Making Her His Wife," by Cora Harris. A "marry in haste" story with a lively southern girl as heroine, who is determined not to conform to her husband's ideas of what a wife should be. Her husband is equally determined in the other direction and before a happy adjustment is made.

My Antonia," by Willa S Cather, A Hebemian girl, Antonia, stands out as a beautiful figure through the har ships of frontiers, the struggles of He and the gossip of a little town

Keep the Laying Hens

lost year. Prosh country eggs were quoted to New York in November at Results to a dozen. With the cold storage supers tedocad and high price. Paultry Department of the University of Nebraska C. thego of Agraculture beneves farmer should had outo their poultry flories and give saided care to them. At passent eng prices, hens at the University Farm are more than paying for their feed. There is no indication that eggs will be lower and they may be ligher.

Fruit Pits and Shells

The Gas Defense Division of the War Department has sent word out to discontinue the collection of fruit pits and out shells. Where car load lots have been collected they may be ship-Damerell home, returning to Lincoln has notified the local chairman, ped to the eastern depots. Less than car load lots should not be shipped.
