Last Wednesday night about 8 o'clock rain commenced falling later turning to snow and Thursday morning we awoke to look upon the most severe storm of the season. Business was practically at a standstill until Friday. Old inhabitants state that there has not been such a storm in this section for many years. A peculiar feature was that the area of the storm was comparatively small. And the days following were almost springlike save for big banks of snow scattered across country.

Methodist Church Notes

WHAT IS THE CENTENARY MOVEMENT? It is commemorative of the one hundredth anniversary of Methodist Missions. It is God's trumpet call to Methodism to face the world's greatest crisis. It is a call to repent. The Church has been praying "Thy Kingdom come on earth" but has not ministered to hungry millions in foreign fields and nearer home.

So world-wide emergencies crowd upon us demanding vast expenditures of wealth and large enlistment of the youth of Methodism. Adding to the seriousness of the situation comes the general warning to the Church for "preparedness" for the great "after-war." The church of Christ is soon to be tested as never before.

The need of the hour is a revived and mightily spiritualized Church. The Centenary Movement, in God's providence, was raised up by the General Conference not primarily to supply millions of money, but to lift Methodism to a new plane of spiritual vision and ministry from which it shall accomplish its part of the Christian Conquest of the World.

The pastor has been presenting this subject to the people for the past month and will be ably assisted on March 9th by Dr. Sherman Powell of Indiana, Mr. Raymond Woodrum of York, Dr. C. M. McCorkle and Dr. J. W. Embree. We expect to make this day a great day for Red Cloud.

Baptist Church Notes

Preaching at 11 a. m. and 7:30 p. m. Sunday School at 10 a. m.

Prayer meeting each Wednesday evening at 7:30.

The special meetings, were, for various reasons, brought to a close Sunday evening. While the number of additions were not as many as we could have hoped, the meetings closed with a splendid fraternal feeling, not only among our own members but also among the many members of other churches, who joined with us most heartily in helping to make the meetings successful. We have heard only words of appreciation for the straightforward, clear-cut sermons of Rev. Sims, who assisted Rev. Harper during the meetings. All Christians who heard him were greatly benefited.
