Summoned by the Master Happily United in Marriage

Mina May Leggett was born February 9, 1887, and was united in marriage to Bert Carr, July 28, 1905. To this union were born seven children, Velma, Roy, Robert, Wilbur, Floyd, Bertha and Ralph, the babe born but a few days before his mother's death.

Mrs. Carr died Monday morning, March 17, at 8 o'clock. Besides her husband and children, she leaves her parents, Mr. and Mrs. R. B. Leggett, three sisters, Mesdames Nettie Smelser and Nora Butler and Miss Grace Leggett and one brother.

In early life the deceased attended the Congregational Sunday school and was a member of the local W. C. T. U.

Short funeral services were held in the open at the cemetery on yesterday in charge of Rev. J. L. Beebe. Mr. and Mrs. N. B. Bush, C. L. Cotting and Mrs. C. J. Pope rendered the music. Owing to the condition of Mr. Carr and children, all of whom are ill at this writing, with the exception of the oldest girl, they were unable to attend the service.

GRANDMA PARKER

Susan R. Parker died quite suddenly Tuesday morning after a short illness of a few hours at the home of her daughter, Mrs. F. W. Bailey, in Guide Rock. She was aged nearly ninety years, the date of her birth being November 20, 1829. Edward M. Parker and Mrs. Bailey are her surviving children. The funeral was held from the Baptist church Wednesday at two o'clock, Rev. A. F. Howell preaching the funeral sermon. Interment was in the Guide Rock cemetery. Inasmuch as Mrs. Parker was an old settler, and the widow of one of the most prominent men in the community, now deceased, and she having filled a very important place in the building up this little community, the Signal feels disposed to publish her obituary next week, when it will be possible to give the same more deliberation and the honor due this very fine old lady. —Guide Rock Signal.

FRED MORANVILLE

The funeral of Fred Moranville was held from the Baptist church Wednesday, March 12, at 10 o'clock, Rev. A. F. Howell preaching the funeral sermon. Interment was in the Guide Rock cemetery.

Mr. Moranville was born January 7, 1876, in New Hampshire. The family resided in Guide Rock in the early day and Fred went to school here in his boyhood. He died suddenly at the home of Dr. C. F. Moranville in Red Cloud, Monday evening at 7:30 o'clock. The summons came while he was seated at the supper table.

He leaves to mourn his departure, his mother now living at Lawrence, Kansas, three brothers, also an aunt, Mrs. E. A. Moranville of Red Cloud. He was a son of Mr. and Mrs. Will Moranville. Old settlers remember the family well and to them is extended sympathy. —Guide Rock Signal.

Mrs. Ned Sutton and daughter, Helen returned home Wednesday from a visit with relatives in Oxford.

Mrs. Ed Amack left Wednesday for Rochester, Minnesota, where she will undergo an operation at the Mayo Bros. hospital.

Mrs. Grimes returned to her home at Hastings on Wednesday after a visit here with her son, Ned and family.

The Red Cross work room in the Auld Library will be open every Thursday beginning March 20th for work on Refugee garments. Quotas for 500 garments to be furnished as soon as possible have been received and all women who wish to continue their services to the Red Cross may do so.

C. F. CATHER, Chairman.

The announcement of Miss Cecile Taylor's marriage to Mr. Andrew Garrett, on March 8th, at Denver, Colorado, came as somewhat of a surprise to her friends here.

Miss Taylor has been in training as a nurse at the Mercy hospital at Denver.

Mr. Garrett formerly lived at Clearmont, Missouri, which is near the former home of Miss Taylor.

Mr. Garrett is largely interested in fruit land near Farmington, New Mexico, where he and his wife will make their home at this time.

HARRIS-SHIPMAN

Vernon Dale Harris, son of Mr. and Mrs. Alf Harris, of Garfield and Maude E. Shipman, daughter of Mr. and Mrs. Ernest Shipman, also of Garfield, were united in marriage on Saturday, March 15th, at 1 o'clock p. m., by Rev. J. L. Beebe, at the home of Mr. and Mrs. Geo. Harris, in the First Ward. Mr. and Archie Harris attended the couple, as best man and bride's maid, respectively.

The newlyweds enjoy a wide circle of friends and come from two of Webster county's best homes and the best wishes of the entire community accompany them to their new home, the Archie Harris farm, nine miles southeast of this city.

Mr. and Mrs. Bruce Robinson of Superior spent Sunday here with his parents, Mr. and Mrs. C. D. Robinson and family.

Our Soldier Returns

The relatives and friends of "Art" McArthur were pleasantly surprised by his arrival home last Thursday night. For the past ten months he has been in U. S. military service at Governor's Island, within hailing distance of New York's great statue of Liberty. He received honorable discharge at Camp Dodge, Iowa, and comes to stay. Making the rounds greeting his host of friends is keeping him busy now, but later he will get into working harness and be heard from through the columns of the Chief.

Form a Credit Association

Some eighteen business men met at the Commercial Club rooms on yesterday, and according to plans submitted by a committee, of which R. P. Weesner was chairman, proceeded to organize a local Credit Association.

C. J. Pope was chosen president of the new organization, J. C. Cather, vice-president and C. M. Sherwood, secretary and treasurer.

The plan as outlined includes the card index system and every customer and prospective customer, within this trade territory, will be rated thereon according to the manner in which he is known to pay his bills—prompt, slow or otherwise. The purpose of the organization is not to eradicate the dead beat, but rather to whip up the man slow in settling. The secretary will keep all records and it will require but a moments time for any member to get in touch with him over the phone and secure the exact rating of any doubtful party. His records will be taken from the standing of each individual as per the records disclosed by the various merchants books.

A committee will soon visit all business men of this city and solicit them for membership which includes the nominal sum of but \$12.00 per year or \$1.00 per month. It can be readily seen that the benefits to be derived are such as to more than pay the cost of membership, in most any one instance.

**Unless you have heard
The New Edison, "The
Phonograph with a Soul," you
do not realize that the great
inventor has actually evolved a
new art.**

Even more vividly and convincingly than the motion picture reproduces the drama this marvelous instrument re-creates music. In fact, as the famous tone tests have effectively proved, no human ear can detect a shade of difference between the rendition of the living artist and that of "the phonograph with a soul."

R. J. Minard who has been confined to his bed for the past several months, died at his home in Bladen, Tuesday afternoon. He had been failing rapidly for several weeks and his demise was expected at any time. Mr. Minard retired from the farm some two years ago and came to Bladen to make his home, enjoying good health up until some time last fall since which time he had gradually grown weaker. He was 79 years old. Obsequies will appear next week. —Bladen Enterprise.

It is reported that two of the active state deputies at an up-state town noticed a man come rushing to the station, throwing a suitcase on the baggage truck and hurrying to buy a ticket. They observed some liquid leaking from the suitcase and investigating decided they had a bootlegger. When the man appeared they showed their badge of authority and demanded that he open the case, which he promptly did, displaying a very nice little poodle dog.
