### BOYS' SCHOOL ENCAMPMENT

The seventh annual session of the Boys' State Fair School will be held at the Nebraska State Fair Grounds, August 31 to September 5, inclusive. Delegates should arrive at the Fair Grounds Saturday evening or Sunday prior to the first Monday in September.

### CAMP AND PURPOSE

The State Board of Agriculture, realizing the great educational value of such a school and being anxious to make it a permanent feature is making a sanitary camp. The regular hospital force will look after the health of the boys and a physical instructor will direct the boys in regular exercise. We feel that we can say with confidence to parents and school officers that the comfort and health and happiness of the boys will be guarded in the most zealous manner.

### AIM OF THE SCHOOL

To offer a select body of young men the means of systematic observation and study, under the direction of competent instructors, of the animal, agricultural, mechanical and educational exhibits of the State Fair, and through such agency more fully to inform and interest the residents of the counties in the resources of Nebraska and the achievement of her citizens as demonstrated by the displays on exhibition.

### WHO MAY ATTEND

Two boys will be admitted from each of the ninety-two counties. The age of the delegates must be over fifteen and under twenty-one.

### APPLICATIONS

All boys that would like to be a delegate must write their application or call at the County Agent's office on Saturday, and from the applicants two delegates will be selected. Do this at once.

### WHAT EACH BOY SHALL FURNISH

Each boy will pay five dollars (\$5.00) to cover board, tuition and incidentals, which amount should be sent to the Secretary of the State Fair, Lincoln, Nebr., two weeks before opening of camp. Railroad fare will be refunded by the Board. Receipt from railroad agent must be presented for return of amount paid. Each boy must provide blankets, sheets, pillow, towels, soap, cup and saucer, plate, knife, fork and spoon, and may be required to perform from two to four hours duty each day during the afternoon or evening.

County Agricultural Agent  
HENRY R. FAUSCH.

### The Marshalls' Reception

At the reception held for the newly married couple at the home of the groom's father, Wednesday evening, a large crowd of friends gathered and an enjoyable time was had by all present, until the wee small hours. Ice cream, cake and other refreshments were served.

The happy couple were presented, by their friends, with numerous presents among which was a fine valuable cow. —Riverton Review.
