Boys to Raise Baby Beef

A chance how to successfully feed cattle and at the same time make money, is offered boys and girls who join Baby Beef clubs formed under the direction of the College of Agriculture Extension service. Scores of boys and girls made big money last summer as members of Pig Clubs. Walter Briggs, a Seward county boy, sold his pigs for \$5,000, and in addition took several hundred dollars in prize money, forty-five fair ribbons, three trophies and a silver medal. Any Nebraska boy or girl over 10 and under 19 years old January 1, 1919, is eligible to join a Baby Beef club. Write the Extension Service, College of Agriculture, Lincoln, for detailed information.

Soldiers & Sailors Appointed

Washington, D. C., Oct. 25.—Sixty-five former soldiers and sailors have been appointed supervisors for the Fourteenth Decennial Census, according to an announcement issued today by the Bureau of the Census.
 "The Census Bureau was particularly glad whenever it found a former service man for the job of supervisor," announced Director of the Census Sam L. Rogers. "Most of the applicants who qualified, however, were men of more mature age and of broader experience than the majority of soldiers and sailors."
 Three women appear on the list of supervisors, one having been appointed to serve in the State of New York, one in Texas and one in Nevada. This is the first time in the history of the Census Bureau that women have been selected to fill these positions.
 Of the 372 supervisors chosen approximately, 100 are lawyers. Ex-service men come next in numbers, and editors rank third with more than forty appointments. Farmers are represented with about 25, while educators, numbering about 30, run the farmers a close race.
 Several physicians have undertaken the task of collecting Uncle Sam's statistics, likewise a great many business men.
 Each supervisor appointed had to undergo rigid tests as to his fitness for the position, especial stress having been laid on character and experience. "No man was appointed a supervisor for the Fourteenth Census," said Mr. Rogers, "until every possible guarantee was given as to his ability and honesty. Character was at all times the leading and predominating consideration with the Census Bureau in every appointment made."

SPECIALIST IN MARKETING
 Mr. Geo. Boomer of Lincoln, Nebraska, a specialist in marketing from the Department of Rural Economics, will be in the county for three days, November 17—18—19 at the following places:
 Monday, November 17th, Afternoon at two High Schools. Night, Clifton, District No. 25, Bladen.
 Tuesday, November 18th, afternoon at two High Schools. Night, Highland District, No. 40, Bladen.
 Wednesday, November 19th, afternoon, Eckley Achievement Day, district No. 90, Guide Rock. Night, Pleasant Prairie, District No. 41, Inavale.
 Mr. Boomer has been in the county on former occasions and talked to High Schools and at Community Meetings. He is a good lecturer and has a very interesting subject, besides talking on Community Welfare, he touches upon marketing.
 The marketing question interests everyone, and in the past, considerable time, money, etc., has been spent advocating making two blades of grass grow where one formerly grew, raising more live stock and more grain, and when this was done, over-production was the result and the bottom fell out of the market.
FARMERS' INSTITUTE

Delphian Society Entertained

The first social event of the Delphian Society, an "At Home," was held at the home of the president, Mrs. W. A. Sherwood, on November 6th, when seventy-five guests were received by the officers, Mrs. W. A. Sherwood, Mrs. C. H. Potter and Mrs. C. J. Platt. The following well prepared and excellently rendered program was received with much enthusiasm and applause:
 Duet—Miserere from Il Trovatore, Miss Trine and Mrs. Creighton.
 Reading—The Necklace, Miss Elizabeth Overman.
 Vocal Solo—"The Americans Come," Miss Greta Turnure.
 Address—Democracy, Kate Upson Clark.
 Violin Solo—Meditation, Fauciner, Cradle Song, Brahm, Miss Ethel Overman.
 Reading—"The Suburbanite," Miss Helen Lemon.
 Vocal Solo—Group from Tennyson's "Maud," Miss Elizabeth Overman.
 Piano Solo—"If I Were A Bird," Miss Verna Trine.
 Mrs. Kate Upson Clark of New York was the guest of honor. Mrs. Clarke is a very gifted and noted writer and orator as well as a charming woman, and the Delphian members thoroughly appreciated the rare opportunity and privilege of meeting and conversing with her. She congratulated the women of Red Cloud on having a Woman's Club that had adopted such a splendid course of study as the Delphian Course, from which she was sure the members would derive much pleasure and profit. She expressed her views on the woman of today, woman suffrage and strongly urged those present to be non-partisan, to understand the issue and to vote for the candidate of character. She is a brilliant speaker with a wonderful memory and a delightful sense of humor.
 Following the program, refreshments were served in the dining room. Chocolate was poured by Mrs. F. G. Turnure and Mrs. E. A. Creighton, assisted by Mrs. Ege and Mrs. Ellis and served by Helen McNeny, Margaret Platt, Virginia Auld and Opal Weener. The house was beautifully decorated; yellow chrysanthemums were used in the living rooms and American Beauty roses in the dining room. The credit for the success of the occasion is due to the very efficient committee, composed of Mrs. B. E. McFarland, chairman; Mesdames E. M. Ege, Fred Miller, B. W. Stewart, F. G. Turnure and S. C. Ellis.
