LIGHT up a Chesterfield. Now you're in Luck. No mistake about it, Chesterfields sure do come through on "Satisfy"!

None but the finest varieties of Turkish and Domestic tobaccos, specially selected and expertly blended—is it any wonder that Chesterfields welcome comparison with the best you ever smoked?

Ordinary blending brings out flavor, of course, but blending by Chesterfield's process brings out a new flavor—a flavor that "they" didn't know was there.

And this blend is exclusive—based on our private formula. It cannot be duplicated, or even closely imitated.

You get "Satisfy" in Chesterfields and nowhere else.

And the special moisture-proof wrapping lets none of their flavor escape.

Light it, enjoy it, tobacco Co.

If you are certain you can borrow elsewhere, do you know what interest you will have to pay? Would you like to have a **LOAN AT SIX PER CENT INTEREST, NO COMMISSION**, that would extend over a period of thirty-three years if you wanted it, or optional at any time? If so come in and have a talk with me.
