Early Morning Blaze Consumes Mercantile Buildings

Another disastrous fire occurred in the business section of Red Cloud at an early hour Friday morning, which entirely consumed the Jas. Peterson, Potter and Scribner buildings, and their contents, on Webster street. It is estimated that Mr. Peterson's loss was between \$12,000 and \$15,000, while that of Mr. McAlister was about \$1,000. Mr. Scribner states that his loss will figure about \$1,000. No insurance was carried on any of the buildings or the contents, except on a Franklin car, owned by Dr. Mitchell, stored in the Peterson building, which also housed several cars of implements and new and used automobiles.

The cause of the fire is unknown but judging from the "lay of the land" and the great headway the blaze had gained in such a short time--before the alarm was given--the general supposition is that it was the work of a "fire bug," but in the absence of evidence nothing can be done by the property owners but bear the losses.

Had it not been for the stillness of the night much more property would have been destroyed, as the fire department was rendered almost helpless owing to the lack of water. An investigation revealed the cause--a gate on the water main, at the corner of Webster street and Fourth avenue almost closed. From information gained it is learned that this gate was closed some time ago when the repairs were being made on the main. Just who is responsible for it being in this condition is a matter of conjecture, one deeply regretted by all parties concerned.

The intense heat destroyed the plate glass window in the Platt lumber yard office. The telephone cables in the alley at the rear were damaged to considerable extent.

State Agent O. D. Hedge Cleans Up Danbury

State Agent O. D. Hedge went to Danbury, Friday, with complaints against James H. Robinson and Robinson & Robinson for having in their possession intoxicating liquors for sale.

Estella Robinson, proprietor of the store, was arrested and brought to McCook Friday afternoon together with seventy gallons of home-made booze. Trial was had in County Court Friday evening and the defendant was given a fine and costs amounting to \$227.35 which were paid.

The home-made wine was emptied into the sewer.--Monday's Red Willow County Gazette.

State Agent Hedge arrested poker players in a Danbury livery barn, last Friday night, and they were fined by the local justice of the peace \$10 and costs.

There were some fifteen in the game but the others escaped.--Monday's McCook Tribune.

Loses in Pie Eating Case

Lincoln, Neb. Jan. 31.--Josie Cheney, a participant in a "pie eating" contest in the village of Riverton, which ended disastrously, has been denied a judgment against the village by the state supreme court. Josie, with other contestants, during a village carnival, was trying to win a prize by being the first to dispose of a pumpkin pie in the regularly prescribed manner. The surging crowd of spectators knocked down the temporary stand on which the contest was taking place, injuring Josie's arm, causing her to bring a damage suit against the village.

The supreme court holds that the village was not responsible for a stand in the streets, and that it was a nuisance, anyhow, and therefore denies that a claim for damages exists.--Sunday's World Herald.

Arch Rasser returned home from St. Joe this morning.

County Agent Henry Fausch, Chas. Steward and Chas. Whitaker are attending Smith Bros. hog sale at Superior today.

Doyle-Denton

Miss Ethel Doyle, of Red Cloud, and Ed Denton of this place were married in Lincoln, Saturday January 17, by the county judge. After a short stay there they returned to Bladen where they are now visiting among home folks. The bride is the talented daughter of Mr. and Mrs. Jas. Doyle of Red Cloud, and, while has been a resident of this for only a short time, she has already made many warm friends and seems to be a general favorite with everyone. She taught the Grand Prairie school for one term, and for the past year has been a student at the State University. She was held in high esteem by her many classmates, and was a member of one of the leading societies. The groom is the only son of Mr. and Mrs. J. A. Denton, and is well known in Bladen and vicinity, having grown up to manhood in this community. He is a graduate of the Bladen High School of the class of '13, and took a year at the Lincoln Business College and three years at Wesleyan. He is well known in Lincoln where he attended school, and for two years twirled for the Wesleyan ball nine. This popular young couple will make their home here, where the groom is assistant cashier in the Service State Bank. The Enterprise joins their many friends in wishing them a long and happy wedded life.--Bladen Enterprise.

Mrs. Will Beardslee, who left here a few days ago with her husband, via auto, to visit relatives in Long Island, Kansas, was taken sick shortly after arriving there and was forced to return home this morning.

Wednesday, The Chief received a nifty little birth card from Mr. and Mrs. Russell Amack, announcing the arrival of Russell, Jr., at their home, in Holyoke, Colorado, on Monday, February 2nd. This being the first little visitor it is a foregone conclusion that joy reigns supreme in the Amack household. As the fond father served in the army of the late war we predict that he will spend many a night, walking the floor with his son, while suffering from children's ailment, counting the army cadence.
