

"He says I'm a good skate"

—Chesterfield

A REAL pal—that's Chesterfield. Look at its record. Three million smokers—less than five years on the market! Two words explain it—"They Satisfy."

Our expert buyers in the Orient select for Chesterfields only the finest grade of the four choicest varieties of Turkish tobacco. To these are added the best of mild but full-bodied Domestic leaf.

But, in the end, it's the blend that makes Chesterfields "satisfy." And the blend—our private formula—cannot be copied.

Extra wrapper of moisture-proof paper seals in the flavor.

Ligarettenfabrik, Vienna, Austria

COUNTY SCHOOL NOTES

A text book in the hands of the pupils is not necessary. A good elementary text in the hands of the teacher is sufficient. The keeping of a complete set of books should not be undertaken. The work for the eighth grade should be simpler than what is given in high school. It should be practical and of the kind that will be useful to the child, whether he goes to the high school or not.

A letter from the State Superintendent's office will give the teachers some idea of the kind of work that will fit the eighth grade student to pass in the examinations.

They tell me the examinations will be based on this outline. The questions in Composition will be based on ordinary work in Language for the seventh and eighth grades, with some additional emphasis upon letter writing, description and narration.

The eighth grade examinations will be given on April 1 and 2 and on May 6 and 7.

It has been thought best by the state department and many of the County Superintendents not to have the District Spelling contests. Each county may send two representatives to the State Contest in Lincoln. This contest will be held about May 1st, but the date has not been definitely fixed. The Lincoln Commercial Club has offered \$100 for prizes and will give a luncheon in honor of the contestants on the evening after the contest.

Mrs. A. E. Creighton went to Blue Hill this morning to visit her sister, Mrs. Fred Gund.

Tom Swartz was a passenger to Coles this morning.

Mr. and Mrs. Thomas left for Tulsa, Oklahoma on No. 14 this morning. While there they intend to look over the Kansas Border Oil Co., several people living in and around Red Cloud having bought shares in this company.

Baptist Church Notes

Sunday school at 2 p. m. Preaching at 3 p. m. by Rev. Bruce Eshelman.

Singing conducted by Mrs. Kathryn Eshelman.

Brother Harper is moving to Riverton this week. I am sure we all regret very much to lose Bro. Harper but as he had to retire from the active pastorate it will be pleasant for him to be near so many of his relatives who can cheer and comfort him in his declining years.

We think the kindly words of appreciation of the Argus of recent date reflected the sentiment of the entire community. Our state board and the Red Cloud Baptist church both manifested their appreciation of Bro. Harper's labors in granting him the full allowance of salary up to the time his resignation was accepted including the four months of his absence and sickness.

Miss Julia Fank went to Guide Rock today to visit relatives.

INSURANCE

The Recent Fires Emphasize the Importance
AMPLE FIRE INSURANCE

Look up the expiration and the amount and see if you have enough Insurance. Take a pencil and make a list of your insurable goods and then see what it will cost to replace these goods. Also your house. Insurance companies are continually writing me to call the attention of my customers to the fact that the insurable value of their property is much more now than a few years ago.

Large corporations and business concerns always carry 80 per cent insurance—a guide for the individual

Look up your expirations and call me on the phone and I will call and tell you just what it will cost you and the amount you should carry, no matter if it does not expire for several months. Attend to it now and I will put it on my expiration list and write it up when it expires.

Start the New Year Right

By buying your groceries where the two important factors predominate—
